

1. Antenna Description:

Antenna type: NFC Antenna

Manufacturer: Shenzhen Hengjun Circuit Co., Ltd.

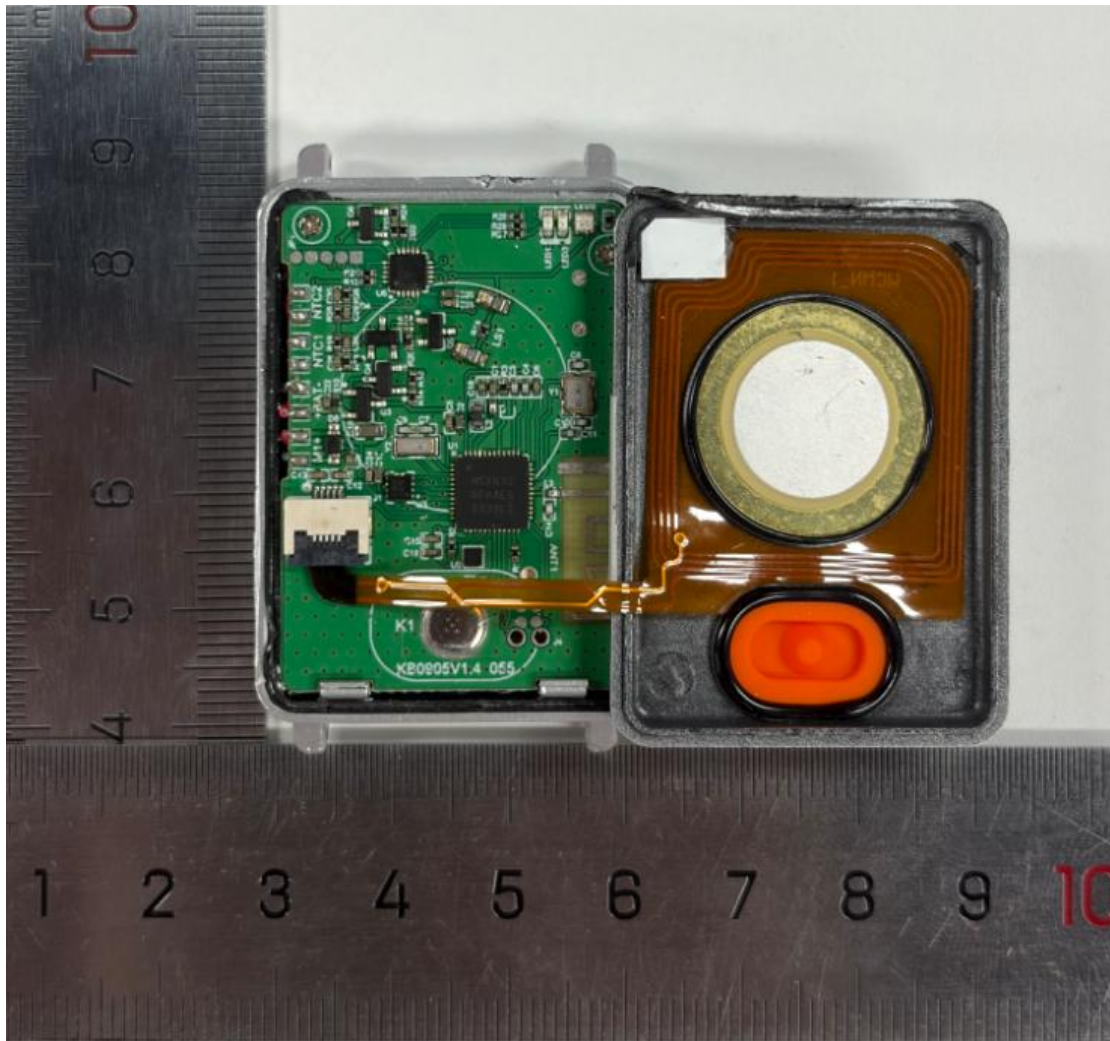

Address: Building C, Renhe Zhongxi Industrial Zone, Sha Jing Sub-district, Bao'an District, Shenzhen City

Model: NFC_WCMN1_Aprill11

Antenna Gain(Peak): /

Frequency range: 13.56 MHz (13,560 KHz)

2. Antenna Photo:

We, Saudi WakeCap Company for Information Systems Technology, states that All measurements were performed radiated and therefore additional antenna gain documentation is not required.
