Dear Sir or Madam,

In the test report there are three model numbers listed. The model numbers are how we identify the main door and the optional accessories. The model number 101-0001 is the main door of the system. It can be standalone or have other accessories attached. The other model numbers are optional accessories for the main door. Model number 104-001 is the optional external door. Model number 106-0001 is the optional exterior sensor.

Yours sincerely,

A handwritten signature in blue ink that reads "Mike Cargile". The signature is fluid and cursive, with the first name "Mike" and last name "Cargile" clearly distinguishable.
