Pairing a Tag to the Smart Pet Door

Scan here to open the Pawport app and add a Tag. If you don't have the app, you'll be directed to download it and get started.

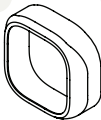

What's included

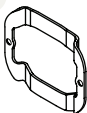

1

2

3

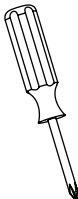

4

5

6

7

8

- 1 Smart Pet Tag
- 2 Tag holder
- 3 Snug mount
- 4 Hanging mount
- 5 Split ring
- 6 Philips head screwdriver *Lift tray for tool
- 7 CR2050 lithium battery
- 8 M2 screws ×2

Install the battery

Using a flathead screwdriver, unscrew the battery cover on the back of the Smart Pet Tag (item 1).

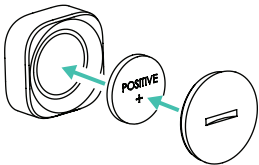

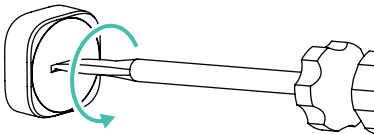

Place the battery (item 7) into the Tag with the **positive** side facing **up**.

Reinstall the battery cover and tighten until snug.

WARNING

This product contains a coin cell battery, which can be a choking hazard and is dangerous if swallowed. Keep battery and Smart Pet Tag out of reach of children and pets during assembly. Dispose of used batteries properly and never incinerate or puncture.

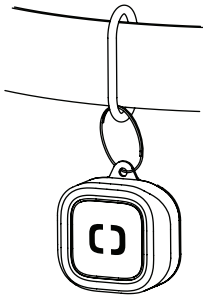

Collar mount options:

1. Hang from your existing collar

The Smart Pet Tag comes with the hanging mount (item 4) preinstalled.

Simply attach the split ring (item 5) through the hole on the hanging mount and connect it to your pet's collar ring as you would a regular pet tag.

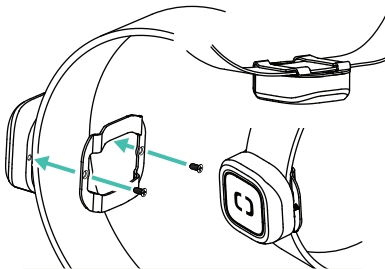

Collar mount options:

2. Clamp to your existing collar

For a snug fit, fasten the Smart Pet Tag directly onto your pet's collar using the snug mount (item 3).

First, remove the M2 screws (item 8) from the preinstalled hanging mount using the included screwdriver (item 6). Use these same screws and screwdriver to attach the snug mount in place of the hanging mount.

Place your collar between the tag assembly and the snug mount, as shown. Ensure the flat side of the snug mount faces the collar and the "bumps" face outward, as shown. Tighten the screws.

CAUTION

Make sure the Smart Pet Tag is securely mounted and not loose on the collar. A loose Tag may become a chewing hazard for your pet or become lost during activity.

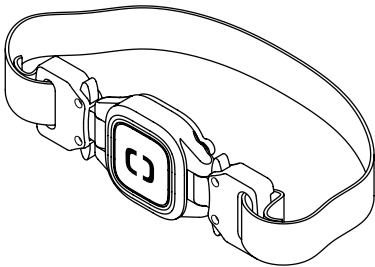

Collar mount options:

3. Snap into a Pawport Collar

If you purchased a Pawport Collar for a streamlined fit, refer to the instructions included with the Collar.

Pawport Smart Pet Tag

Safety, Warranty & Compliance Information

WARNINGS

READ BEFORE INSTALLATION: Improper installation, use, or maintenance of the Pawport Smart Pet Tag may result in injury, damage to the product, or voided warranty coverage. Please read all information in this booklet carefully before proceeding.

Retain this booklet for future reference and servicing.

RISK OF INJURY OR DAMAGE: Keep the Pawport Smart Pet Tag securely attached to your pet's collar at all times. A loose or improperly attached Tag could result in loss or injury to the pet or others. Ensure the Tag is not placed in a position where it may become a choking hazard or interfere with your pet's movement.

ELECTRICAL & POWER SAFETY

The Smart Pet Tag is powered by a user-replaceable coin cell battery. Do not open or disassemble the Tag except when replacing the battery. Use only the recommended replacement battery specified in the user manual. Do not crush, puncture, incinerate, or expose the battery to extreme heat or flames. Improper handling may cause fire, leakage, explosion, or injury. Keep the battery and Tag out of reach of children and pets. Dispose of the old battery responsibly and in accordance with local regulations for electronic waste. Keep the Tag away from moisture and heat sources. Never attempt to charge or modify internal components. Exposure to water or high temperatures may cause malfunction or damage.

TEMPERATURE & STORAGE: Do not expose the Smart Pet Tag to extreme temperatures. Operating

or storing the Tag outside the range of 32°F–122°F (0°C–50°C) may cause malfunction or damage. Avoid leaving the Tag in direct sunlight, vehicles, or near heat sources.

MOISTURE PROTECTION: The Smart Pet Tag is waterproof but is not intended to be submerged for long periods. Dry off the Tag immediately if exposed to large amounts of water or extreme moisture to maintain proper function. Ensure that the back of the tag enclosure is fully tightened to prevent water from entering into the Tag and damaging the components. Inspect the back cover regularly.

PROPER ATTACHMENT: Securely attach the Tag to the pet collar using either the included split ring, snug mount, or hanging mount. Ensure the attachment is firm and will not easily detach during normal pet activity. Loose Tags may be swallowed

or pose a choking hazard.

CHOKING & SWALLOWING HAZARD

- Contains small parts and a coin-cell battery. Swallowing may cause serious injury or death. Keep away from children and pets.
- If battery ingestion is suspected, seek immediate medical attention.

CALIFORNIA PROPOSITION 65 WARNING

WARNING: Cancer and Reproductive Harm –
www.P65Warnings.ca.gov

INSPECTION & MAINTENANCE: Periodically inspect the Tag for any signs of damage, wear, or malfunction. If the Tag is cracked, damaged, or not functioning properly, discontinue use and replace it. Do not use the Tag if it shows any visible signs of

physical damage, corrosion, or wear. Clean only with a soft, damp cloth. Avoid solvents, abrasives, or any harsh chemical cleaners to maintain the integrity of the Tag.

CAUTIONS

INTENDED USE ONLY: The Smart Pet Tag is designed exclusively for use with the Pawport Smart Pet Door and should only be used as described in the user manual. Do not use the Tag for any other purpose as it could result in malfunction or void the warranty.

DISPOSAL & RECYCLING:

- Dispose of used batteries properly and in accordance with local regulations.
- Do not throw in trash, take to battery recycling facility (www.Call2Recycle.org in U.S.).

FCC COMPLIANCE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- This device may not cause harmful interference.
- This device must accept any interference received, including interference that may cause undesired operation.

FCC ID: 2BSOT-SPT107 **Model:** 107-0001

Power: 3 V DC Coin-Cell

PAWPORT SMART PET TAG LIMITED WARRANTY

This Limited Warranty applies to the Smart Pet Tag (the "Product") and is provided by Pawport ("Pawport," "we," or "us") to the original purchaser of the Product (the "Customer"). This warranty is valid worldwide and is subject to the terms and conditions set forth herein.

Limited Warranty (1-Year – Magnuson-Moss Compliant)

Pawport warrants that the Product will be free from defects in materials and workmanship under normal use for a period of one (1) year from the date of original retail purchase (the "Warranty Period"). This includes both the electronics and physical

structure of the Tag. This warranty is valid only for Products purchased directly from Pawport or through an authorized vendor. Proof of purchase is required to establish warranty eligibility.

If a defect in the Product arises during the Warranty Period and a valid claim is submitted to Pawport, we will, at our sole discretion, (i) repair the Product using new or refurbished parts, (ii) replace the Product with a new or refurbished unit, or (iii) provide a full or partial refund. Pawport will provide a prepaid shipping label for returns in supported regions. For international customers, an alternative resolution such as reimbursement or refund may be provided in lieu of a prepaid shipping label due to regional limitations.

Exclusions and Limitations

This warranty does not cover:

- Cosmetic damage, including but not limited to scratches, dents, and surface wear.
- Damage caused by misuse, abuse, accidents, neglect, or improper installation.
- Damage resulting from use with improper voltage or power supply.
- Damage caused by pets, environmental conditions, or natural disasters.
- Unauthorized repairs, alterations, or modifications to the Product. Attempting to repair or disassemble the product in any way will void the warranty.
- Consumable parts and accessories, including batteries and peripheral items, which are covered under separate warranty terms.

This warranty does not apply to any Product that is sold "as is" or that has been resold without proper

documentation from the original purchase.

Transferability

This warranty is transferable only if the Product remains within the original Warranty Period and the new owner provides proof of original purchase.

Support and Warranty Claim

All support inquiries and warranty claims should be directed to www.pawport.com/support. Localized support may not be available in all regions.

International Coverage

While this warranty is valid worldwide, international customers may be responsible for additional customs duties, taxes, or import fees. Pawport reserves the right to offer refunds or other resolutions in lieu of prepaid return shipping for claims originating outside supported shipping regions.

Compliance and Installation Requirements

Install the Tag only on a suitable collar using the included hardware. Follow all battery and user manual instructions. Avoid extreme temperatures, moisture, and heat. Do not disassemble or modify the Tag. Failure to follow these instructions may cause malfunction, injury, or void the warranty.

Legal Rights and Disclaimer

This Limited Warranty provides specific legal rights, and the Customer may have other rights that vary by state, province, or country. This warranty does not affect any statutory rights under applicable consumer protection laws.

To the maximum extent permitted by applicable law, Pawport disclaims all other warranties, express or implied, including but not limited to implied warranties of merchantability and fitness for a

particular purpose. In no event shall Pawport or its affiliates be liable for indirect, incidental, special, or consequential damages, including but not limited to loss of use, loss of data, loss of profits, or damage to persons, pets, or property arising from the use of the Product, even if advised of the possibility of such damages.

Claims & Support

For support or warranty claims, visit: www.pawport.com/support. This equipment complies with FCC radiation exposure limits for an uncontrolled environment.

REGULATORY COMPLIANCE SUMMARY

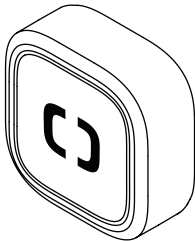

This device complies with the regulations listed below. Operation is subject to the following FCC

conditions:

- FCC 47 CFR Part 15 (Subpart B & C — unintentional & intentional radiators)
- CPSC Button Cell & Coin Battery Safety (16 CFR Part 1263)
- ASTM F2923-20 Safety for Jewelry Containing Button Batteries
- ANSI Z535.4 Warning Format Guidelines
- Prop 65
- UN 3091 — Lithium Metal Batteries in Equipment
- Environmental Handling
