Authorization and Evaluation Division

Subject: Request for Change in FCC Identification

Dear Sir or Madam,

Pursuant to the requirements of **47 CFR § 2.933**, the applicant hereby submits this request for **Change in FCC Identification** for the equipment described below.

The applicant confirms the following:

1. **Original FCC Identification:**
2A39M-JH22A61H
2. **Date of Original Grant of Equipment Authorization:**
December 27, 2022
3. **New FCC Identification to be assigned to SoundX LLC:**
2BT6M-SXWVPU
4. **Description of Differences Between Original and Modified Equipment:**
The equipment bearing the new FCC Identification is **electrically and mechanically identical** to the originally authorized device.
The only changes are related to **branding and/or labeling**.
There are **no changes** to the hardware, circuitry, RF parameters, antenna, components, firmware, or functional design.
5. **Applicability of Original Test Results:**
Yes. The original test reports remain **fully representative of and applicable** to the equipment bearing the new FCC Identification.
6. **Photographs submitted in accordance with § 2.1033(b)(7) or (c)(12):**
Photographs showing the **exterior appearance of the equipment**, including **user-accessible operating controls and the identification label**, are attached.
