

Label & label location

The product does not have enough space to place the label, and FCC ID is reflected in the user manual and package. User manual as below:

FCC ID: 2BTGM-P40

Package as below:

FCC Compliance Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC Warning

Caution: Changes or modifications of this product is not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

FCC ID: 2BTGM-P40

This product has a built-in rechargeable battery. Avoid hitting, squeezing, puncturing, or short-circuiting it. If you notice any issues like excessive heat, swelling, or leakage, stop using it immediately. Keep the battery away from water, high temperatures, and direct sunlight. Do not use if it has been submerged.

After use, store the earphones away from humidity, dust, and extreme conditions. Replace the battery if it shows signs of wear. Improper battery replacement can be hazardous.

Dispose of the product responsibly after use, following local waste regulations.

Interference from signals may cause occasional audio issues. Reconnect or move away from sources if problems occur.

Use a charger with a 5V/1A output for charging. Avoid fast chargers to prevent damage. Do not overcharge.

WARRANTY & SUPPORT

1-Year Limited Warranty

Your purchase is covered by a 1-year warranty against manufacturing defects. Proof of purchase is required.
