

## SPECIFICATION FOR APPROVAL

### ■ Product Apperance & Dimensions (Unit: mm)

(Note: The picture is for reference only, the product is subject to the actual.)

### ■ Product Electrical characteristics

| Parameter:          | Value                                 |
|---------------------|---------------------------------------|
| Product name:       | Wireless charging coil module         |
| Product number:     | L5010A11-47KTY (middle)               |
| Ferrite type:       | Φ50*Φ5.3*0.8mm                        |
| Coil type:          | 0.15*24P                              |
| Coil Turns:         | 10TS                                  |
| Coil direction:     | CCW                                   |
| Inductance:         | 6.3μH ±10%                            |
| Q Value:            | 20 (Min.)                             |
| Testing Instrument: | TH2816B @100kHz、1Vrms; TH2512B At 25℃ |
| Note:               |                                       |
