

USER MANUAL

Wireless Speaker

Made in China

FCC ID: 2BTPL-INV01163

Product specifications:

- Wireless connecting name: CUP
- Support: L2CAP/A2DP(AVCTP/AVDTP/AVRCP), can receive AUDIO signal and control the AUDIO device.
- Working distance: 10M
- SNR: $\geq 90\text{db}$
- Battery: 500MAh
- Built-in voltage: 3.7V
- Normal volume playing time: 2H
- Speaker driver: 40 mm* 1
- Power: 4 Ω /3W*1
- Frequency response: 150Hz-20KHz
- Speaker unit size: $\Phi 72*44\text{mm}$
- Speaker unit weight: 110 $\pm$ 10g
- Charging: 5V/500mA

Product Feature:

1. Advanced Wireless audio decoder chip, support wireless devices connected.
2. Soft, clear and dynamic sound, all levels clear, can be connected to mobile phone, tablet computer and TV for wireless pairing and music playing.

① In music mode: Short press to switch to the previous track. Long press to turn down the volume.

② Power switch: Long press to turn on/off the speaker. Short press to pause or continue playing. Double press to the FM mode.

③ In music mode: Short press to switch to the next track. Long press to turn up the volume.

④ DC 5V charging interface (TYPE-C charging interface)

FCC Warning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body.
