

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black handheld device with a blue trigger, a coiled black USB cable with a USB-A connector, and a small black USB dongle. A black ruler with white markings is placed vertically to the left of the device for scale. The background is a blue textured surface.
EUT View 2	 A photograph showing a side view of the black handheld device. A black ruler with white markings is placed vertically to the left of the device for scale. The background is a blue textured surface.

EUT View 3	 A black handheld device, likely a barcode scanner, is shown from a side profile. It has a blue trigger button on the handle. A black ruler with white markings is placed vertically to the left of the device for scale. The device is positioned on a blue background.
EUT View 4	 The same black handheld device is shown from a different angle, possibly the front or back. It still features the blue trigger button. A black ruler with white markings is placed vertically to the left of the device for scale. The device is positioned on a blue background.
