Label location for B&R product – S3-AS-04.08 (OEM)

The image shows a white rectangular label for a Planar Motor. At the top left is a square logo with a 'P' in a circle and an 'M' in a square. To its right is the text 'Planar Motor' in a large, bold, sans-serif font. Below this is the model number 'FLYWAY S3-AN-04.08' and 'S02631234' in a large, bold, sans-serif font. Underneath the model number is the text 'Made in Canada' and '48VDC / 3.0A / 12.5A (peak)'. In the center is a coordinate system with a vertical 'y' axis pointing up and a horizontal 'x' axis pointing left, intersecting at a circle with a cross. Below the coordinate system is the text 'IP65/IP67'. To the left of the coordinate system is a large 'CE' mark and a circular logo with 'C' and 'US'. To the right is the 'FC' mark and 'FCC ID: 2BTRTSS'. Below these is a paragraph of text: 'Operation of this equipment requires detailed installation and operation instructions provided in the product manual. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.' At the bottom are five icons: a crossed-out cigarette, a crossed-out flame, a crossed-out lightning bolt, a crossed-out flame, and a crossed-out flame.
