Packing List

1 Speaker*1

Type-C Charging cable*1

1 Instruction manual and warranty card*1

Basic Parameters

Product Name	SayRose Crimson Glaze Wireless Speaker
Product Model	YX -85
Bluetooth name	SayRose YX-85
Bluetooth version	Bluetooth V6.0
transmission distance	≥10m
Audio input	Bluetooth connection
speaker	4Q 8W*2
power input	DC 5V---1.5A
output power	3W THD<2%
frequency range	100Hz-20KHz
distortion rate	<2%
signal-to-noise ratio	≥80dB
Product dimensions	Approximately 150 (length) * 40 (width) * 77 (height) mm
Product weight	Approximately 356g

Name and content of harmful substances in the product

In order to meet the relevant requirements of the "Management Measures for the Restriction of the Use of Hazardous Substances in Electrical and Electronic Products" (Order No. 32 of the Ministry of Industry and Information Technology of the People's Republic of China), the hazardous substances in this product are classified by components and declared as follows:

Name and content of harmful substances in the product		Hazardous substance					
Component Name	Lead (Pb)	Mercury (Hg)	Cadmium (Cd)	Hexavalent Chromium (Cr(VI))	Polybrominated biphenyls (PBB)	Polybrominated diphenyl Ethers (PBDE)	
Shell	○	○	○	○	○	○	
Speaker unit	○	○	○	○	○	○	
Circuit board assembly	X	○	○	○	○	○	
Power cord, Connecting cord	X	○	○	○	○	○	

This table is prepared in accordance with the provisions of SJ/T 11364.
○: The content of the hazardous substance in all homogeneous materials of the component is below the limit requirements specified in GB/T 26572.
X: Indicates that the content of the hazardous substance in at least one average material of the component exceeds the limit requirements specified in GB/T 26572.

The harmful substances contained in this product are caused by the current technological limitations and the inability to find alternative substances, which comply with the requirements of China's "Management Measures for the Restriction of the Use of Hazardous Substances in Electrical and Electronic Products". And it falls within the scope of the EU RoHS exemption, and special considerations have been made when designing the product to ensure that the exterior components are made of non-toxic and environmentally friendly materials, so that consumers will not come into contact with harmful substances under normal use and will not cause harm to the human body.

10

Electrical and electronic products sold within the territory of the People's Republic of China will be printed with the "Environmental Protection Use Period" (EPUP) symbol, and the numbers in the circle represent the normal environmental protection use period of the product.

Buttons and interfaces

Power on/ Shut down

Charging port

Instructions for Use

1."⏸"key
Long press: Power on or off

2."⏮"key
Click: Pause or Play
Long press for 3 seconds: Reset Bluetooth memory

3.Volume up
* ⏮ "Key volume up, long press: Next track
* ⏮ "key
Press and hold the key to decrease the volume; previous track

4.USB TO Type-C charging cable

Frequently Asked Questions

1. Low or distorted sound: The charger current is insufficient, replace with another charger.

2. Low audio volume: Adjust the audio volume to the appropriate level. After playing for a long time, the device often shuts down automatically, which may result in low battery power. Please charge it and try restarting.

4. Does the Bluetooth music lag beyond the effective connection distance of the speaker, or is there an obstacle between the speaker and the Bluetooth device.

5. Matching failed

a. Check if the speaker is in search mode or restart.

b. There are too many Bluetooth devices in the surrounding area, causing difficulty in searching. Turn off other Bluetooth devices

Precautions

⚠ Attention

1. Do not disassemble or modify the equipment for any reason, otherwise it may cause the speaker to malfunction or burn out;

2. Do not put the product into water or any other liquid. This product is not designed to be waterproof;

3. If any liquid accidentally enters the product, please disconnect it immediately and remove the product;

	Accessories	Instructions and Warranty card Type-C Charging cable	0	Not Applicable	

Annotations and explanations:

(1) This table is not a description of product specifications and configurations. Product specifications and configurations are subject to the actual product.

(2) When returning the product, you should package it properly and cooperate with the logistics provider for inspection. Suggest using the original packaging of the product. If the returned product is not within the warranty scope, we will contact you and handle it according to the method you confirm. Please ensure accurate contact information and smooth communication. If the repaired or replaced product is not returned to you for more than two (2) months due to your own reasons, it shall be deemed that you agree to be disposed of by us in an appropriate manner.

Warranty Card

When purchasing products, please fill in the following information completely and clearly, and affix the seller's seal to protect your legitimate rights and interests.

User Information	User Name		Email	
	Mailing Address			
Production Information	Contact Number		Postal Code	
	Product Name Product Model		Product Barcode/ Number/ Batch number	
Seller Information	Name			
	Address			
	Contact Number		Postal Code	
	Sales Date		Invoice Number	
Remarks	Note: (1) This form should be stamped and confirmed by the seller. (2) For products that are eligible for the relevant "three guarantees" regulations, this warranty card is equivalent to a "three guarantees certificate"; (3) The maintenance records shall be based on the authorized service organization's maintenance certificate. After applying for service, please keep them properly.

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. The device has been evaluated to meet general RF exposure requirement.

The device can be used in portable exposure condition without restriction.
