Meet VeMug

Drink Smart. Track impact. Earn Rewards. Have fun.
Your everyday beverage, now with sustainability and rewards, all in one smart mug.

VeMug + Mugshot

To connect VeMug with Mugshot App, follow steps 1-4.
You can use VeMug on its own, but for the best experience, choose the Mugshot App.

- 1 Unbox & Charge
- 2 Connect
- 3 Fill & Earn Rewards
- 4 Visualize Impact

1

Unbox & Charge

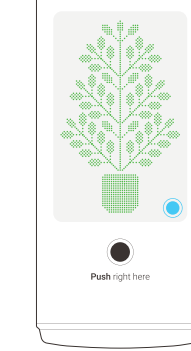

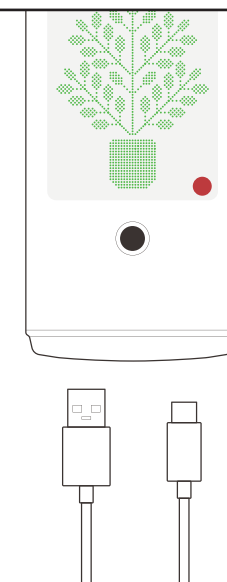

Take the VeMug out of its packaging and place it on a flat surface.

Plug in USB-C cord to VeMug

Connect to power block (NOT provided).

Check the Mug icon

Check if the icon on the display is pulsing, this indicates that your VeMug is charging.

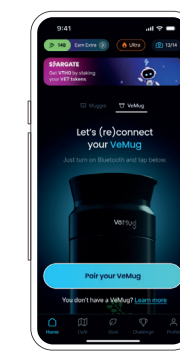

Press the VeMug power button for 5 seconds until a blue light on the display flashes.

2

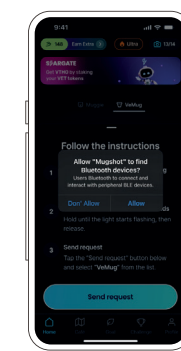

Connect

If first VeMug use OR if VeMug inactive for 5+ days.

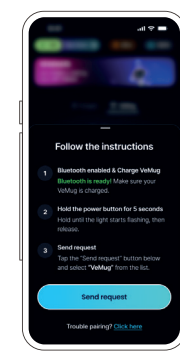

Connect to Mugshot App via following steps.

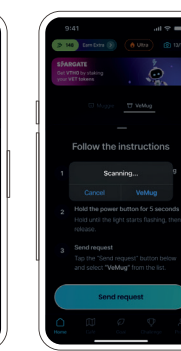

Open the Mugshot app, go to the VeMug tab, click "Pair your VeMug".

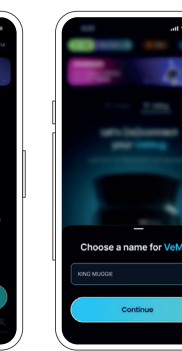

When Bluetooth pop-up appears, click "Allow".

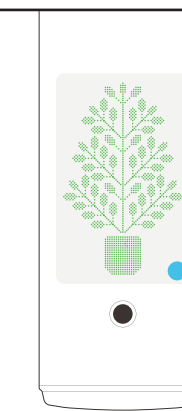

When instructions appear, click "Send Request".

When "Scanning" pop-up appears, click "VeMug".

Name your VeMug and click "Continue" then "Let's start".

Ensure blue light is solid (NOT flashing) indicating mug is connected.

3

Fill and Earn rewards

Ensure blue light is ON (mug is connected) and fill the VeMug.

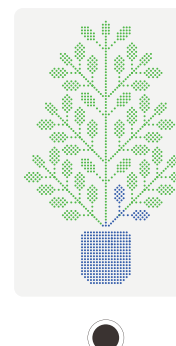

Open VeMug tab in Mugshot, wait 15s after filling, click "I'm ready".

App communicates with VeMug to validate your action.

Earn \$B3TR tokens instantly in your Mugshot app.

4

Visualize impact

Short-press button once to turn on VeMug LED display and see progress toward saving on tree.

Light up a new layer of the tree every time you use your VeMug.

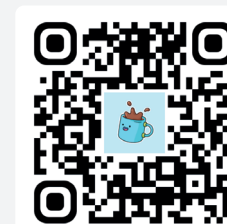

After completing a full tree, the tree starts over with a new color.

Continue using your VeMug to unlock new tree colors.

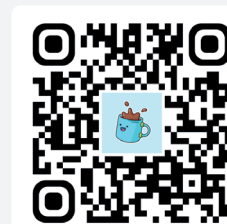

Tree color	Cumulative uses to complete a tree
Green	25
Blue	50
Orange	75
Yellow	100
Purple	125

Restart cycle after 125 uses
