RE: Request for confidentiality

Applicant: Sine Advanced Engineering, Inc.

FCC ID: 2BTY733002

To Whom It May Concern,

Permanent Confidentiality

Request is hereby submitted by Sine Advanced Engineering, Inc. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed block diagrams
- Detailed operational/functional description

Short-term Confidentiality

Request is hereby submitted by Sine Advanced Engineering, Inc. to withhold from public review for a period of 180 days from the date of the Grant of Equipment Authorization and prior to marketing, certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept confidential for a period of 180 days from the date of Authorization:

- External photos
- Internal photos

Rationale for Request for Confidentiality

Sine Advanced Engineering, Inc. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

If you have questions or need further information, please contact the undersigned.

Sincerely,
