

Response to Inquiry to FCC (Tracking Number 656397)

Inquiry on 03/26/2026 :

Inquiry:

Dear Sir/Madam,

I hope this email finds you well. I am writing to an enquiry whether wireless hub are on the covered list. Brief intro: The hub Wi-Fi connects to multiple cameras. The hub is then linked to a computer via an Ethernet cable. The computer can view and control the camera feeds, and a mobile app can also be used to view the cameras. and attached is the product spec.

Thank you for your time and assistance. I look forward to your reply

Yours faithfully

---Reply from Customer on 04/10/2026---

Dear Sir/Madam,

I hope this message finds you well, Sorry to bother you again.

I am writing to politely follow up on the matter I previously inquired about, regarding whether it is included in the covered list.

Could you please let me know the result when you have a moment

Thank you very much for your time and assistance.

FCC response on 05/02/2026

Your question can be answered by visiting <https://www.fcc.gov/faqs-recent-updates-fcc-covered-list-regarding-routers-produced-foreign-countries>. This inquiry system is best prepared to provide response to traditional technical questions about device emissions requirements for regulatory compliance. The ban is limited to routers and not to equipment connected to routers. You need to define based on reading the FAQ what equipment is banned.
