

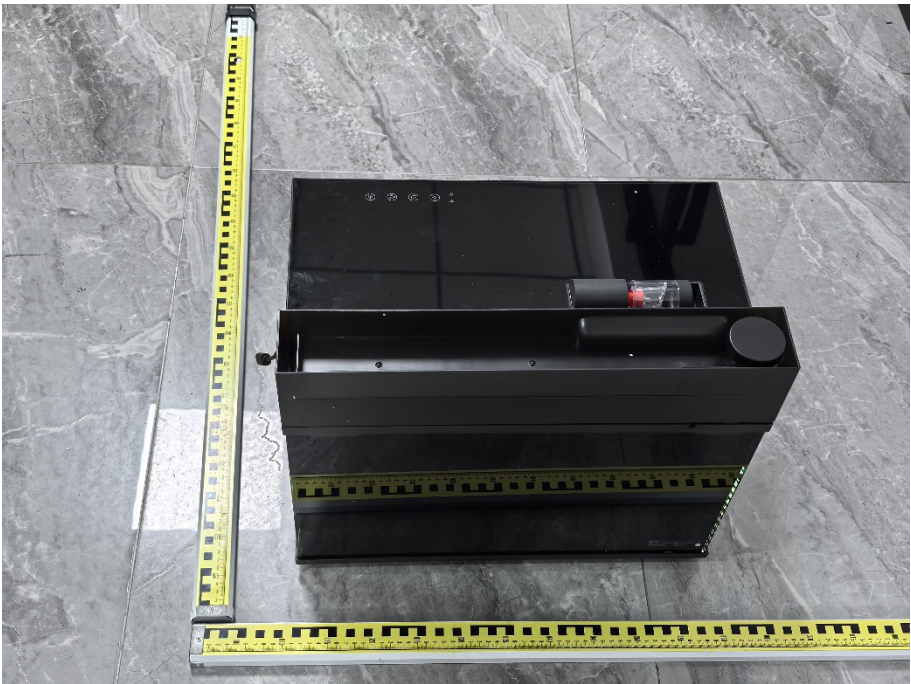

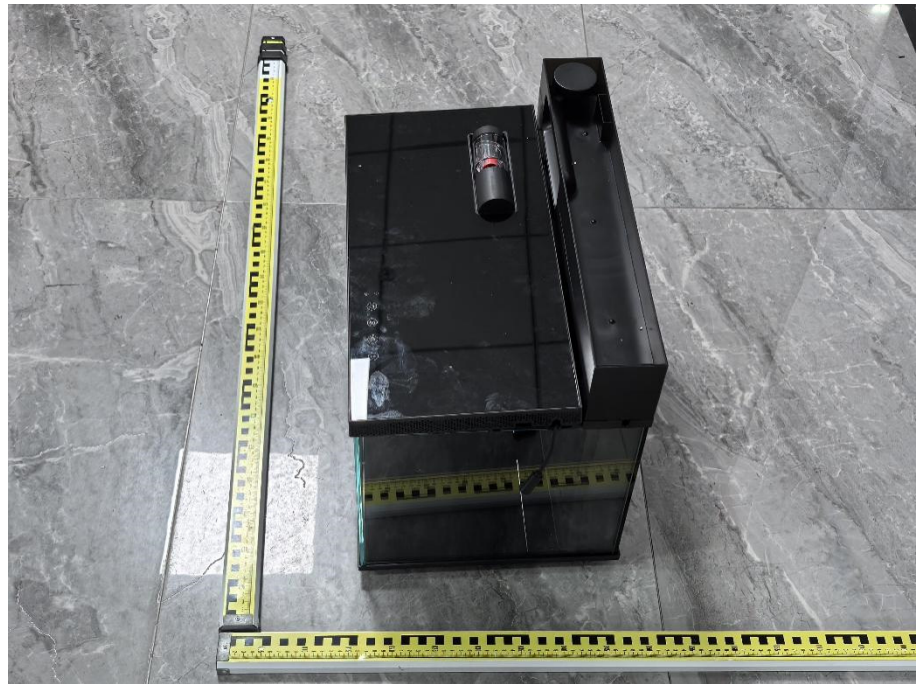

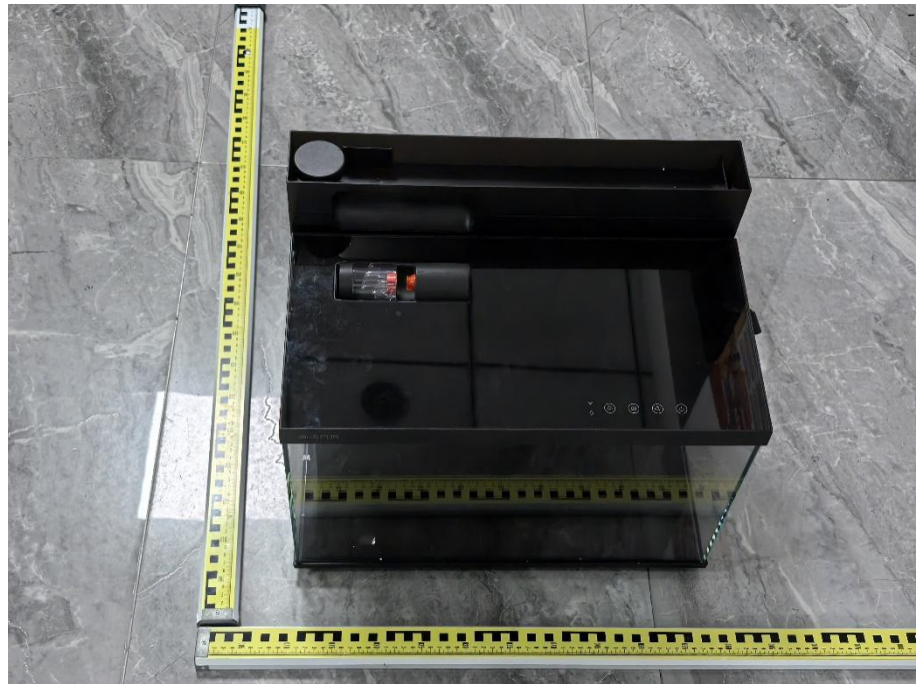

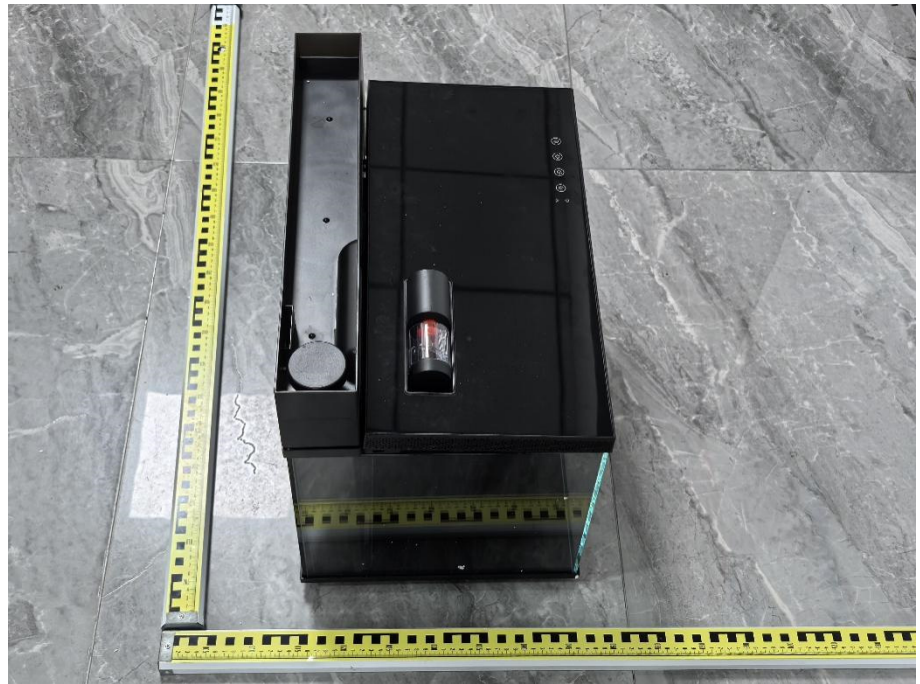

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A top-down photograph of a black, rectangular electronic device (EUT) lying on a grey, textured surface. A yellow and black measuring tape is placed horizontally across the bottom of the device, indicating its width. To the left of the device, a coiled black cable and a small black power adapter are visible. The device has a reflective surface showing some ambient light and a small, dark, rectangular feature on its right side.
EUT View 2	 A side-view photograph of the same black electronic device. The measuring tape is placed horizontally below the device, indicating its depth. The device's side profile shows a smooth, black finish with a small, dark, rectangular feature near the bottom edge. The background is the same grey, textured surface.
