

Technical Requirements 技术要求:

1. **Material:** Nickel silver, thickness (T): 0.3 mm.
2. **Compliance:** Material shall comply with RoHS requirements.
3. **Critical Dimensions:** Dimensions marked with "*" are critical. Unspecified dimensions shall be referenced from the corresponding 3D model.
4. The material of the spring clip shall not be altered arbitrarily. The rolling direction of the material must align with the bending direction of the contact pins.
5. The product shall be free from deformation. Surface defects such as black spots and burrs are not permitted.
6. Unspecified tolerances shall follow the standard general tolerance table.

深圳市安威无线科技有限公司 (Shenzhen Anwei Wireless Technology Co., Ltd.)

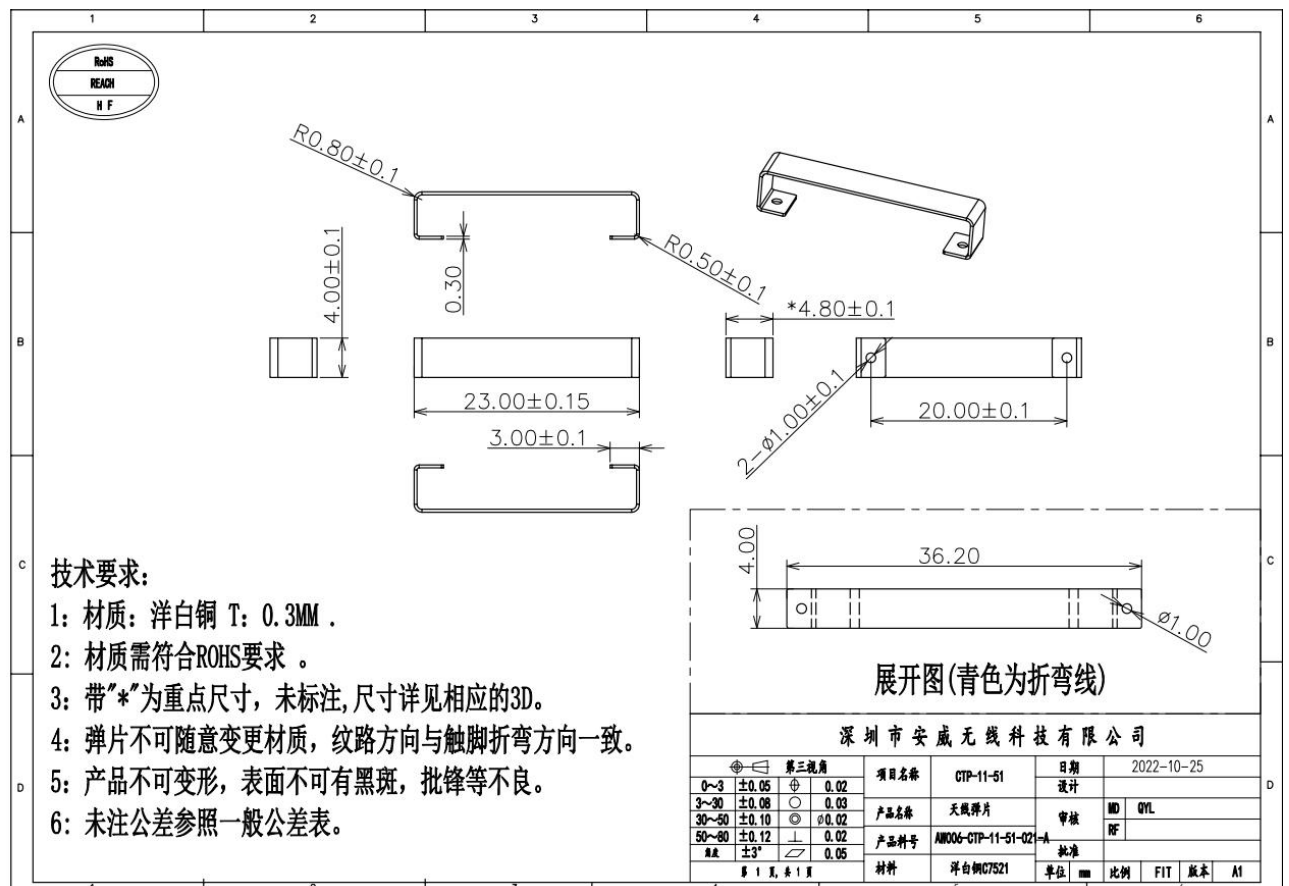

项目名称 (project name): CTP-11-51

产品名称 (product name): 天线弹片 antenna spring

产品料号 (Product part number): AW006-CTP-11-51-021-A

材料 (material): Nickel silver C7521

天线增益Antenna Gain: 433.93MHz:-4.96dBi, 315MHz :1dBi

All measurements were performed radiated and therefore additional antenna gain documentation is not required.
