Unable to connect

1. Check if power switch is turned to on – indicator light will validate.
2. Confirm Keyboard Folio is charged – indicator light will validate.
If not charged, ensure the USB-C cable is properly connected to the keyboard and power source.
3. Verify keyboard is within the operating distance (~32ft).
4. Ensure your tablet or device’s Bluetooth function is turned on.
5. Confirm the Keyboard Folio is paired with your device – indicator light will validate, also check on your tablet/ device for connection.

Usage tips

1. Do not dismantle or disassemble the keyboard.
2. Do not place any heavy objects on top of the keyboard.
3. Keep keyboard away from oil, chemicals, and organic liquids.
4. Clean with microfiber towel or disinfectant wipe.
5. Check local recycling and disposal for battery/keyboard discarding.

Warning

Note:This equipment has been tested and found to comply with the limits for a Class B digital device,pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
• Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Battery warning

You are cautioned that changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment.

Ingestion Hazard
This product contains a battery. Death or serious injury can occur if ingested. A swallowed battery can cause Internal Chemical Burn in as little as 2 hours. Keep new and used batteries OUT OF REACH OF CHILDREN. Seek Immediate medical attention if a battery is suspected to be swallowed or inserted inside any part of the body.
