

Bluetooth Speaker User Manual

Dear customer:

We sincerely appreciate your choice of our Bluetooth speaker. Before use, please read this manual carefully and follow the instructions to maximize the product's performance.

Featuring a sleek and vibrant design, this compact and portable device delivers pure sound quality through its integrated multifunctional system.

1. Precautions:

Store and use this product in a room temperature environment;

Avoid exposure to rain or damp conditions;

Do not discard or throw the product to prevent damage from drops;

Do not disassemble this product yourself. Repair or modify this product;

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.**
- Increase the separation between the equipment and receiver.**
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.**
- Consult the dealer or an experienced radio/TV technician for help.**

The users manual or instruction manual for an intentional or unintentional radiator shall caution the user that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

2. Tips:

To prolong your speaker's lifespan and protect your hearing, avoid prolonged exposure to loud audio environments.

When a fault occurs, immediately turn off the power to prevent damage to the speaker and other components.

3. Product Specifications:

Model: ND-2503W/ND-2505W

Bluetooth Type: BLE

Transmission Range: ≤ 10 meters (subject to environmental conditions and connected devices)

Input Voltage: DC 12V

4. Connection Instructions:

When powered on, the speaker emits a "Bluetooth found" sound and automatically enters Bluetooth search mode. You can connect it to devices like smartphones, tablets, or computers.

The device list will display "LY-51888".

Tap "Pair". After successful pairing, the speaker will emit a "Connect" sound, indicating the connection is complete. You can then enjoy music.
