LOCKINK
BRAND STORY

LOCKINK is an original brand with its roots in China drawing on Western minimalism while also focusing on cultural heritage striving to simplify the design of the product, making the props more fun to use and allowing the user to focus more on the interaction in the intimate relationship.

LOCKINK makes the product into a Lego nature toy for adults, with modular combinations that allow users to explore more possibilities for props, and in erotic scenario new elements are constantly added to meet the needs of players exploring, deeper practice of daily erotic play.

Respond to the self with directness. Return to your Self with a simple statement. In some unknown, find the right motivation for you.

A return to the way it should feel, diverse, innovative.

The operation is easy, free, simple and practical. It is very easy to operate when the user is using it. Visually, it is what we imagine it to be, in nature, a sense of simplicity, in its most original form. Tactile, like the skin of our bodies, as if it were originally grown on our bodies. The sense of hearing, although nebulous, is one of the most penetrating sensations, the inner sense of relationship.
