

Vera-Fi Audio, LLC.

FCC ID: 2BUMV-RANGERIA250

Date: 4/29/26

Subject: authorization for adding family models

To whom it May concern,

Statement

We confirm the product Amplifier with models Ranger I/A 250, Ranger I/A 80.2 are same in the Schematic, PCB layout, Operation description, BOM and Antenna. Ranger I/A 250 and Ranger I/A 80.2 differ in both model names and internal hardware, utilizing different power amplifier chipsets to deliver varying power output levels.

Yours sincerely,
