

Statement

We Wuxi VUE Medical Equipment Co., Ltd. declare

Product Information

Product Name: Handheld diagnostic ultrasound system

Model Number: FreeSono Flex 9

Hardware version: V1.0

Software Version: V1.0.0

variant model of the product listed as follows

FreeSono Flex 8, FreeSono Flex 7, FreeSono Flex 6, FreeSono Flex 5, FreeSono Flex 4, FreeSono Flex 3

All of them share the same PCB design as FreeSono Flex9, the only difference is the choice of probe heads where FreeSono Flex 9 equipped with the entire range of probe heads. The details are described in the following table:

Model	Is the transducer replaceable	Probe heads
FreeSono Flex 9	Yes	C3 L7 L15 L20 E6 P3
FreeSono Flex 8	Yes	C3 L7 L15 L20 P3
FreeSono Flex 7	No	E6
FreeSono Flex 6	No	L20
FreeSono Flex 5	No	L15
FreeSono Flex 4	No	L7
FreeSono Flex 3	No	C3

and these differences will not affect the RF performance.

Your assistance on this matter is highly appreciated.

Sincerely
