

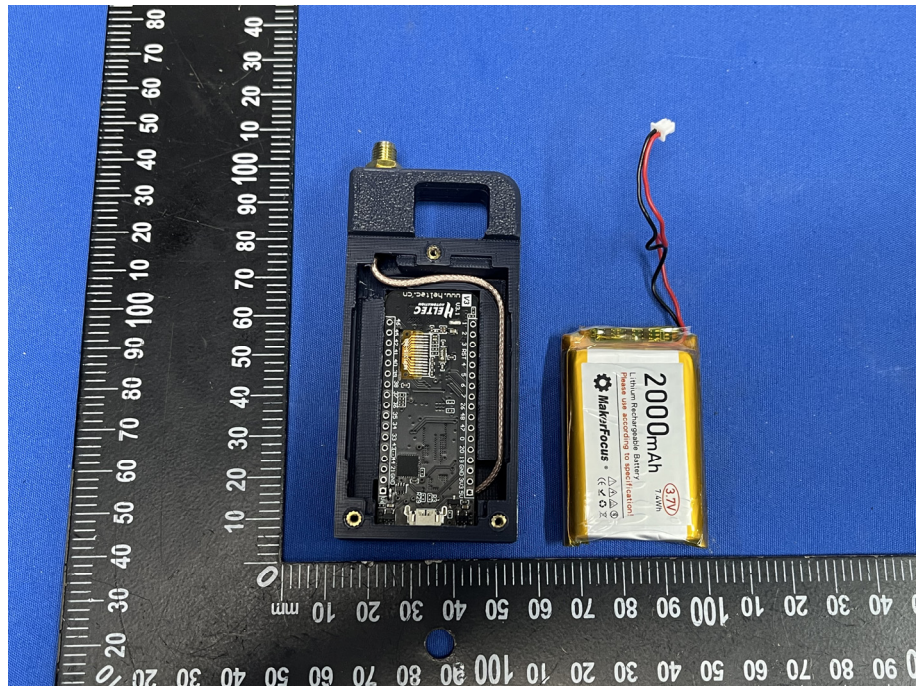

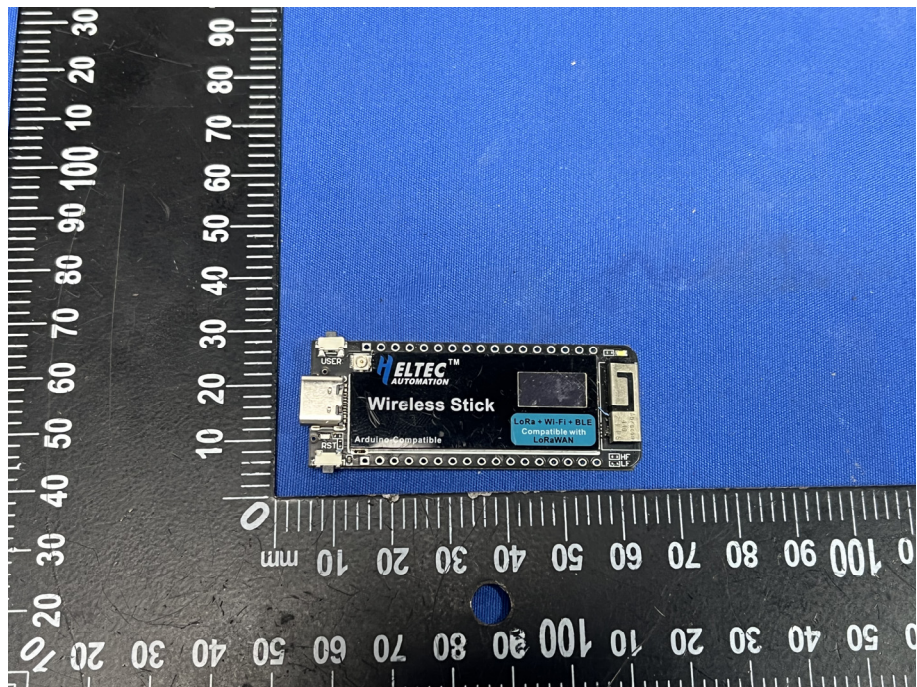

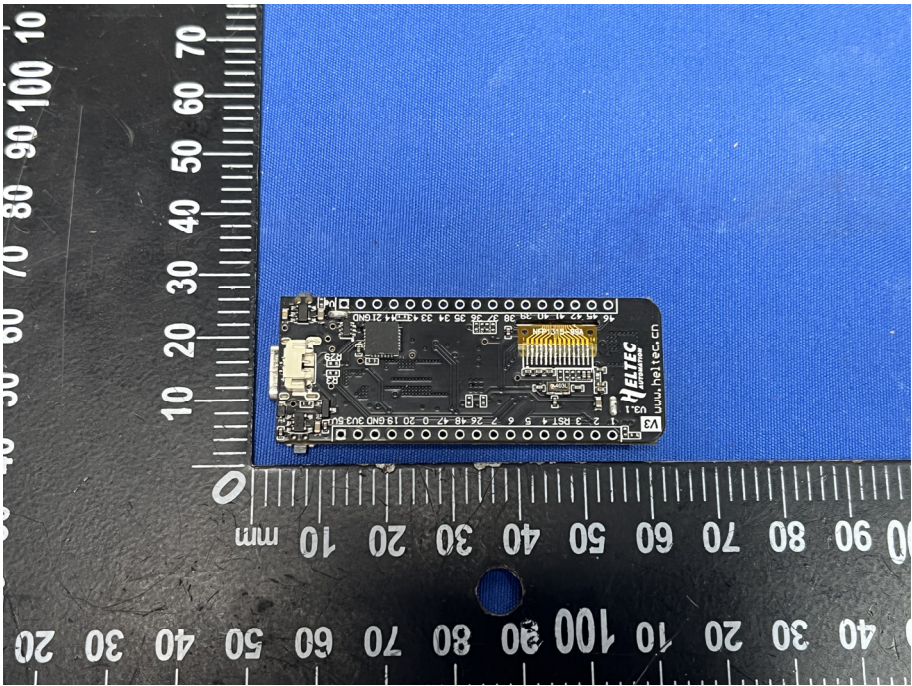

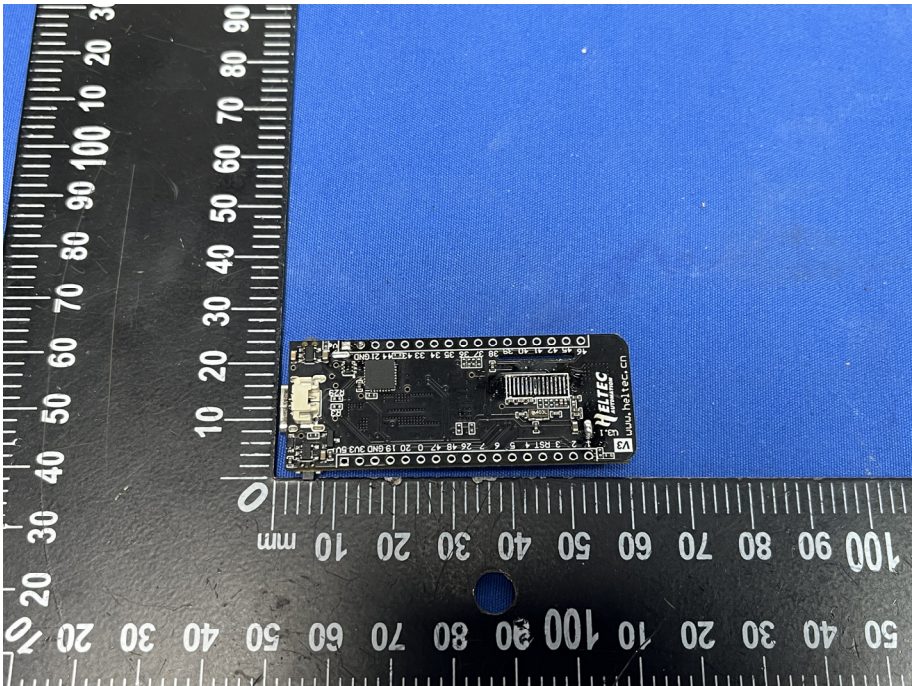

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

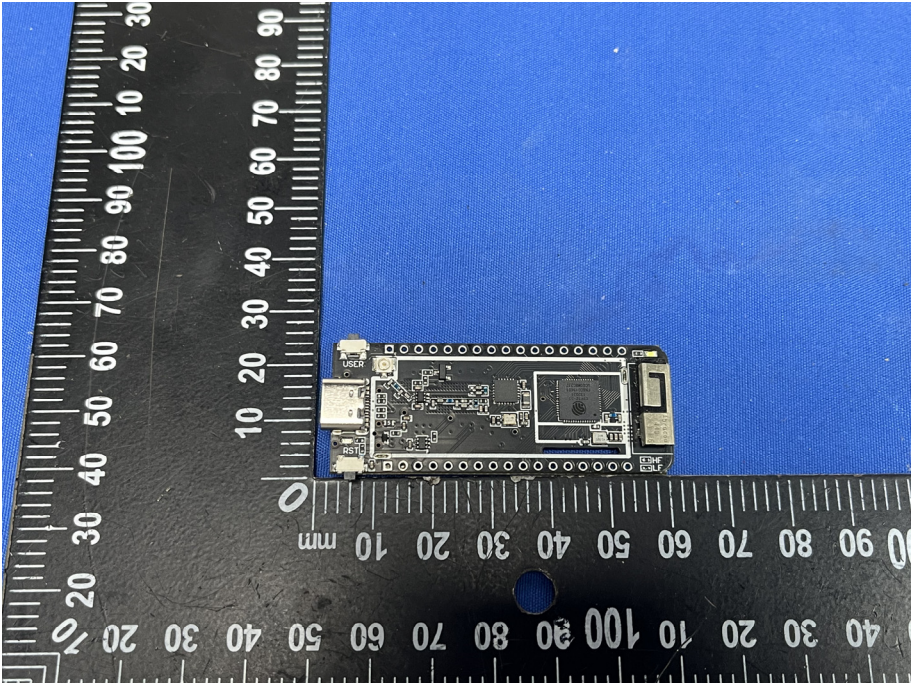

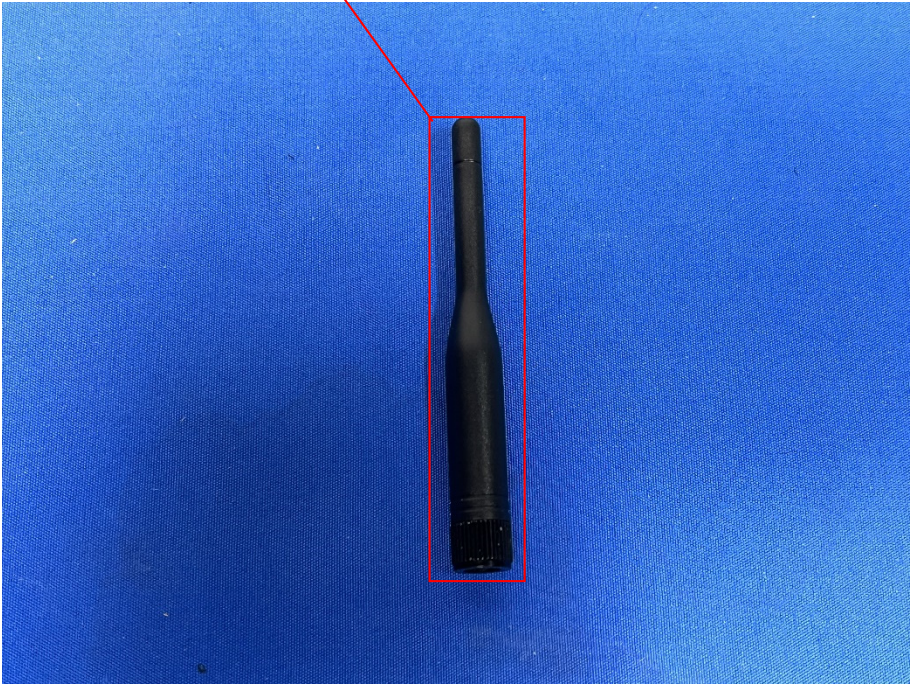

**EUT Housing and
Board View 1**

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph of a small, rectangular electronic component, likely a solder board, placed on a blue fabric surface. The component is positioned horizontally. A black ruler with white markings is placed vertically to the left of the component, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The component has a gold-colored connector on the left side and a black connector on the right side. The text "HELTEC" and "www.heltec.cn" are visible on the component.
Solder Board-Component View 3	 A photograph of the same electronic component, viewed from a different angle (likely the reverse side). The component is placed on the same blue fabric surface. A black ruler with white markings is placed vertically to the left of the component, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The component has a gold-colored connector on the left side and a black connector on the right side. The text "HELTEC" and "www.heltec.cn" are visible on the component.

Solder Board-Component View 4	 A photograph of a small electronic component, likely a module, placed on a blue surface. A black ruler with white markings is positioned vertically to the left of the component, showing measurements in millimeters. The component is rectangular with various soldered components and a small display or label on the right side.
Antenna View	Antenna  A photograph of a black, cylindrical antenna component. A red rectangular box highlights the antenna, and a red line points from the label 'Antenna' to the box. The antenna is positioned vertically on a blue background.
