

Letter for Data Reuse Authorization

Date: 10.10.2025

To Whom It May Concern,

We, **H&D Wireless AB**, as the original applicant for the certification of the radio module Model: **SPB209A**, hereby authorize **Tria Technologies GmbH** to reuse all existing test data and reports generated for this module.

This authorization includes:

- Test reports for RF, EMC, SAR, and safety compliance,
- Associated documentation, block diagrams, schematics, and photographs,
- All related application material submitted to regulatory agencies.

Tria Technologies GmbH is hereby permitted to use these documents for certification, renewal, or modification applications with any regulatory authority worldwide.

Sincerely,
