

US AUTHORIZATION LETTER
Supplier's Declaration of Conformity

This letter of authorization is issued in accordance with the requirements of the Federal Communications Commission (FCC) Supplier's Declaration of Conformity (SDoC) process for Equipment Authorization.

The Supplier's Declaration of Conformity (SDoC) is a procedure in which the responsible party acts as defined in §2.909, taking measurements or completing other acceptable procedures entrusted to ensure that the equipment complies with the relevant technical standards.

Approve-IT, Inc. will act as authorized representative during the time specified below. Approve-IT, Inc. will only serve as the point of contact for all FCC inquiries.

Submission of sample units or representative data demonstrating compliance to the Commission are not required unless expressly required by §2.945. Therefore, Approve-IT, Inc. will also act as transshipment point for test samples that may be required by the FCC (additional charges apply for shipping as needed.)

Suppliers are obligated to comply with all technical and non-technical compliance requirements that are applicable to their equipment. Approve-IT, Inc. is not responsible for the correction of nonconforming circumstances that may arise during or after the representation service and will not be responsible for any costs, charges, fines or penalties incurred as a result of non-compliance(s).

The supplier declares to be in agreement with the terms and conditions established for the service attached in Annex B (Annex B shall not be disclosed to any legal or natural person without the authorization of Approve-IT, Inc.) and gives its full commitment not to break any of the clauses stipulated therein, under the responsibility of paying damages in favor of Approve IT, Inc.

Per [document number 2022-28263](#), the SDoC process is not available to manufacturers on the [Covered List](#): *"The Commission finds that it is appropriate and reasonable to foreclose the SDoC process to equipment produced by any entity identified on the Covered List as producing "covered" equipment and require equipment authorization through the certification process."*

Copies of all SDoCs issued under this agreement must be provided to Approve-IT prior to importation of said equipment.

ANNEX B TERMS AND CONDITIONS

1. **Introduction:** The party executing this document (“Client”) (“Supplier” as mentioned in the US Authorization letter) indicates acceptance of this terms and conditions and that it is agreed that a resulting contract exists between Client and Approve-IT that governs the performance of the stated services and the rights and obligations of the parties and that Approve-IT may proceed with the work.
2. **Indemnification:** Client agrees to indemnify Approve-IT from any claims, damages, losses and costs including but not limited to, attorney’s fees and litigation costs, to the extent caused by breach of this agreement, negligence or willful misconduct of Client in connection with the work realized by Approve IT, Inc, for the Client, and performance of the product with Client’s customers. Additionally, Client agrees to defend, indemnify and hold Approve-IT harmless for all claims of violation of intellectual property rights of Client and any third party relating in any way to the work done by Approve IT, Inc. for the client.
3. **Warranty:** Client agrees that Approve-IT Inc. is in no way responsible for the product(s) performance and warranty conditions offered to Client’s Customers. Any claims, damages, losses and costs associated with product performance and/or product(s) warranty are the sole responsibility of the Client.
4. **Payment:** Administration of Approve-IT, Inc. projects require payment of services promptly or the service may be cancelled.
5. **Expenses:** Unless specifically detailed within this proposal, travel expenses, all shipping and courier costs (including express shipment of documents), local taxes, and miscellaneous expenses required to complete the offered service are not included and will be invoiced in addition to the fees quoted. Approve-IT, Inc. will seek authorization prior to incurring any costs not included in the current scope of work.
6. **Cancellations:** Postponements or cancellations will be accepted if sufficient written notice is given to Approve-IT, Inc. If a cancellation is given client is responsible for paying any fees incurred by Approve-IT, Inc. at the time of cancellation.
7. **Limits of Liability:** The Client (and/or anyone claiming by, though, on behalf of, or under the Client) agrees to limit Approve-IT’s liability arising from Approve-IT’s professional activity, errors, or omissions, such that the total aggregate liability of Approve-IT shall not exceed Approve-IT’s total fee for the services rendered on the project in question (except in the case of a finding of gross negligence or willful misconduct on the part of Approve-IT by a court of competent jurisdiction) or US \$10,000.00 whichever is less. Approve-IT shall not be liable to the Client for any consequential damages incurred by Client due to the fault of Approve-IT, regardless of the nature of this fault, whether Approve-IT, Approve-IT employees, agents or subcontractors committed it. Consequential damages include, but are not limited to, loss of use and loss of profit. The Client agrees to extend any and all limitations, indemnifications, and waivers provided by the Client to Approve-IT to those individuals and organizations Approve-IT retains for proper execution of the work. These shall be deemed to include but are not necessarily limited to Approve-IT’s officers and employees and their heirs and assigns, as well as Approve-IT’s agents, subcontractors and their officers, employees, heirs and assigns. Approve-IT shall not be responsible for injury to any of Client’s personnel. Also, the client agrees that by offering this service, Approve-IT, Inc. is not responsible for any costs, charges, fines or penalties incurred as a result of non-compliance or any fees, infractions or legal breaches in which

the product(s) and/or the manufacturer may incur at the time of importation, commercialization and/or operation, any economic sanction that could be applied against Approve-IT, Inc. as a consequence of the service, must be fully covered by the client and also, if applicable, the damages in which Approve-IT, Inc. would have been affected.

8. **Severability:** Any provision of this document that may be held invalid, void or unenforceable for any reason, shall not affect any other term or condition of this document, and such term or condition shall be replaced or interpreted to accomplish the intent of the parties.
9. **Modifications:** No modification, waiver or amendment of any of these terms and conditions shall be binding upon Approve-IT unless identified in writing as to modification, waiver or amendment of such terms and conditions, and an authorized agent of Approve-IT signs such writing
