10385 Spartan Dr, Cincinnati, OH 45215
+1 513 628 8830

Device: OEM 900 MHz Spread Spectrum Wireless Module

FCC ID: 2BUWQHP900

Chipset/module information:

#	Chipset/module part number	Memory size
1	MHK186050	Embedded flash and RAM for firmware operation (not user-accessible)
2		

Operating System (as applicable): Embedded operating system and proprietary firmware. No general-purpose consumer operating system (e.g., Windows, macOS).

Storage Capacity (hard drive or other permanent memory storage): Limited to internal non-volatile memory required strictly for the storage of proprietary firmware images and system configuration registers (S-Registers). The device lacks any hard drive, solid-state drive, or external memory interface for general-purpose data storage.

Device features:

#	Feature	Yes / No
1	Designed not intended for software/program installation	Yes
2	Chipset/module has limited memory that is insufficient for the manufacturer to burn/pre-install programs/applications	Yes
3	No internet connection	Yes
4	No connector/port for computer connection	Yes (OEM-level UART pins)

Justification: Based on the review of the above factsheet(s) and device features, the device cannot support installation of Kaspersky cybersecurity or anti-virus software.
