RE: Class II Permissive Change for FCC ID: 2BV3S-MW-C6-001

To Whom It May Concern:

We, iPolish, Inc., are submitting an application for Class II Permissive Change against FCC ID: 2BV3S-MW-C6-001.

There are no hardware or electrical modifications made to the applying handheld rechargeable nail-styling device (Model MW-C6-001).

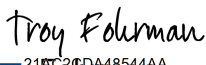

The changes filed under this application are:

- Change of RF exposure conditions from mobile to portable (handheld) use, supported by the SAR evaluation report
- Integration of the unmodified certified transmitter module into the host product Model MW-C6-001, comprising a custom carrier PCBA, lithium-ion battery power system, and plastic enclosure.
- No modifications to the module hardware, antenna configuration, or RF operating parameters.

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

DocuSigned by:

Troy Fohrman
