ADVERTENCIA:
PELIGRO DE ASPIRA.
CONTIENE PEQUEÑAS PARTES QUE PUEDEN SER INGERIDAS.
Fabricado en China

ADVERTENCIA:
Se debe utilizar bajo la supervisión de un adulto.
No apropiado para menores de 3 años.
Contiene piezas pequeñas que pueden ser ingeridas.
Fabricado en China
PRODUCTO NO TÓXICO.

WARNING:
Should be used under supervision of an adult.
Not suitable for children under 3 years old.
Contains small parts that can be ingested.
Made in China
NON-TOXIC PRODUCT.

FCC Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

RF Exposure Information

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
