

Zentron LLC
Model difference statement

It is hereby declared that the product

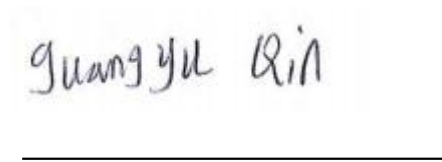

Product Name: Thermal imaging device

Model: C50R, Q50R, C50, Q50, Q635

FCC ID: 2BVLG-ZEN-C50R

The differences between the product models are accessories/eyepieces and the model name. C50R and C50 have the same accessories, while Q50R, Q50, and Q635 have the same accessories.
C50R/C50: Used with monocular eyepiece,
Q50R/Q50/Q635: Used with 12x magnification eyepiece
Different model names are available to meet market demand. Other power supply methods, internal structures, circuits and key components are the same, and do not affect safety and electromagnetic compatibility performance. According to the above information, all tests were performed on model C50R

Sincerely,
