HIGHLIGHT REEL CHAIN

AGES 6+

More About the App:

The GameBlingz app does not require account registration, does not collect names, emails, phone numbers, birthdates, precise location, contacts, photos, voice recordings, advertising IDs, device IDs, analytics IDs, or payment information. The app does not transmit user content to ShuShu Papa or any third party. All user-created content remains on the user's device and is transferred locally to the GameBlingz LCD device. The app does not include third-party advertising, behavioral tracking, social sharing, chat, public posting, or cloud storage.

The app uses Bluetooth solely to connect to and control the GameBlingz LCD Highlight Reel Chain. Bluetooth permissions are limited to device connection/functionality. No Bluetooth identifiers are collected, stored by ShuShu Papa, or transmitted to third parties.

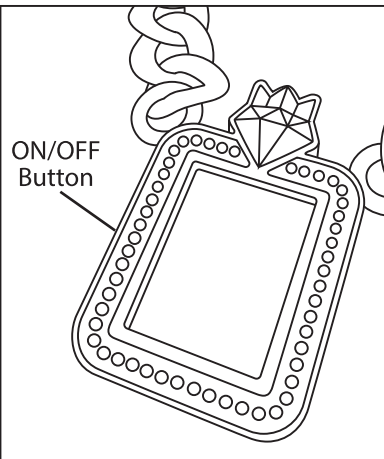

*Please keep this owner's instruction manual for future reference.
It contains important information.
Product specifications may be updated without notice.*

Contents:

LCD digital pendant with built-in rechargeable battery (non-replaceable) × 1
Chain with quick-release clasp × 1

LCD Pendant:

Press and hold the button for 2 seconds to turn the screen ON/OFF

HIGHLIGHT REEL CHAIN

AGES 6+

Cautions:

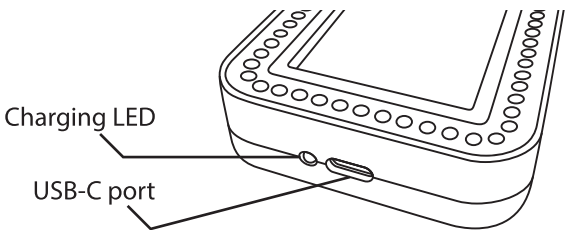

1. The Built-in rechargeable battery must be charged before use.
2. Do not overcharge the Battery.
3. Do not charge the Battery if it shows leakage, corrosion, or has loose or exposed wires or other damage.
4. Do not cover the pendant with any sort of material while charging.
5. Do not touch the pendant when it is hot. Wait until the pendant cools before recharging.
6. Do not dispose of the Battery in fire.
7. Do not dismantle the Battery or USB, and do not cut the Battery or USB cables.
8. The USB Cable used with the toy shall be regularly examined for damage to the cord, plug, enclosure and other parts, and in the event of such damage, they must not be used until the damage has been repaired.
9. The Battery will be warm after charging.
10. The supply terminals are not to be short-circuited.
11. Rechargeable batteries are only to be charged by adults. Children should not charge this product without adult supervision.
12. The battery is not user replaceable. Do not attempt to open the product or remove the battery.
13. Use only with a certified USB power source rated 5V. Do not use fast chargers, damaged cables, or adapters with visible damage.
14. Disconnect the product once it is fully charged.
15. Do not expose the product to high temperatures, direct sunlight, fire, or water.
16. Do not puncture, crush, or drop the product.
17. If the product becomes hot, swollen, damaged, or has an unusual smell, stop using it immediately.
18. Keep the product away from small children during charging. Adult supervision is recommended.

Disposal of batteries

Batteries should not be disposed of in the household waste. As the consumer you are legally obliged to return batteries containing harmful substances and all other used batteries.
You can hand in your old batteries at public collection points in your area or wherever batteries are sold.

Charging the built-in rechargeable battery for the pendant device

1. Make sure the switch is on the OFF position before charging.
2. Locate a USB-C certified port.
3. Connect a USB charging plug with the USB certified port.
4. The LED indicator will start blinking to show it is charging.
5. Once the LED indicator turns on solid, the pendant is fully charged.
6. Detach the USB plug from the USB certified port.

**The battery takes approximately 2 hours to charge from 0 - 100%.*

NOTE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Reorient or relocate the receiving antenna.
Increase the separation between the equipment and receiver.
Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
