GENERAL SAFETY

WARNING: Do not use the controller if you have heart, respiratory or other physical impairments that limit your physical activity. If you have any doubts, consult with a physician.

• Avoid prolonged use of this product. Take a break at about 30-minute intervals. • Stop using this unit immediately if you begin to feel tired or if you experience discomfort or pain in your hands or arms during use. If the condition persists, consult a doctor. • This product is intended for use with your hands only, do not bring it into close contact with your head, face or the bones of any other part of the body. • Never disassemble or modify the product. • Do not expose the product to high temperatures, high humidity or direct sunlight. • Do not allow the product to come into contact with liquids. • Do not put heavy objects on the product. • Do not throw or drop the product or subject it to strong physical shock. • Do not touch the ports or insert any foreign objects into them.

BATTERY SAFETY

WARNING: Incorrect use of batteries may result in battery leakage, overheating or explosion. When using batteries, be sure to follow these instructions. •Replacement of a battery with an incorrect type that can defeat a safeguard. • Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion. • Leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas. • A battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas. "CAUTION" Risk of fire or explosion if the battery is replaced by an incorrect type.

Install only new AA (LR6) alkaline batteries into the accessory. •Make sure the positive (+) and negative (-) ends of the batteries are inserted in the correct directions. •The supply terminals are not to be short-circuited. •Do not mix used and new batteries. •Use only appropriate sized batteries. •Do not mix different battery types and do not mix different battery brands. •Do not use rechargeable batteries or attempt to recharge non-rechargeable type batteries. •Remove the batteries when the product will not be used for an extended period of time. •Do not use drained or dead batteries and when the batteries become drained, take them out of the controller. •If the battery has leaked, be sure to carefully remove all fluid with a paper towel before inserting new batteries. • If you come into contact with material from a leaking battery, take the following actions: If the material gets into your eyes, do not rub, instead immediately flush your eyes with clean water and seek medical attention. •If the material comes into contact with the skin or clothes, immediately rinse the affected area with clean water. Consult your physician if inflammation or soreness develops. •Keep batteries out of reach of children. •Do not dispose of the battery in fire or general waste. Follow local regulations for recycling or disposal. •Periodically check the battery for

COMPLIANCE STATEMENTS

FCC STATEMENT: This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: •Reorient or relocate the receiving antenna. •Increase the separation between the equipment and receiver. •Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. •Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement: The equipment complies with FCC Radiation exposure limit set forth for uncontrolled environment. The device shall be operated and installed without restriction.

ISED STATEMENT: This device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's license-exempt RSS(s). Operation is subject to the following two conditions: This device may not cause interference. This device must accept any interference, including interference that may cause undesired operation of the device.

Cet appareil contient des émetteurs/récepteurs exempts de licence qui sont conformes aux flux RSS exemptés de licence de Innovation, Science et développement économique Canada. L'exploitation est soumise aux deux conditions suivantes: Cet appareil ne doit pas causer d'interférences. Ce dispositif doit accepter toute interférence, y compris toute interférence pouvant causer un fonctionnement indésirable du dispositif.

ISED Radiation Exposure Statement: The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction. Le dispositif a été évalué à satisfaire l'exigence générale de l'exposition aux rf. L'appareil peut être utilisé dans des conditions d'exposition portatif sans restriction.

Redoctane Games LLC hereby declares that this product follows the essential requirements and other provisions of EMC Directive 2014/30/EU and RED directive 2014/53/EU. The full text of the EU Declaration of Conformity is available at the following internet address: www.stagetour.com/docs

COMPLIANCE STATEMENTS

The UKCA (UK Conformity Assessment) mark is a declaration from the manufacturer that the product meets applicable UK regulations for health, safety, and environment protection.

The crossed-out wheeled bin symbol marked on this product signifies that it must not be disposed of with regular household waste and needs to be taken instead to an appropriate collection point.

The Regulatory Compliance Mark is a visible indication of a product's compliance with all applicable ACMA (Australian Communications and Media Authority) regulatory arrangements, including all technical and record-keeping requirements regarding the electrical safety and/or electromagnetic compatibility (EMC).

LIMITED WARRANTY
Redoctane warrants to the original consumer purchaser that product will be free from defects in materials and/or workmanship for the length of time specified in the warranty period from the date of purchase, this being 2 Years, as set forth at www.stagetour.com/warranty.

AUSTRALIAN WARRANTY
These goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

If purchased in Australia or New Zealand, this product comes with one year (12 months) warranty from date of purchase. Defects in the product must have appeared within one year from date of purchase, in order to claim warranty. All warranty claims must be facilitated back through the retailer of purchase in accordance with the retailer's returns policy and procedures. Any expense incurred as a result of returning the product to the retailer of purchase is the full responsibility of the customer.

If you are unable to satisfactorily resolve your issue with the retailer and wish to make a warranty claim, Purchaser should contact PLAION Pty Ltd, whose contact details are Level 7, 120 Pacific Highway, St Leonards NSW 2065, Australia, which is responsible for servicing of warranty claims for purchases made in Australia or contact our support team at helpcenter@plaion.com.

Redoctane Games LLC hereby declares that this product follows the essential requirements and other provisions of EMC Directive 2014/30/EU and RED directive 2014/53/EU. The full text of the EU Declaration of Conformity is available at the following internet address: www.stagetour.com/docs
