

# Declaration on model difference

## 产品差异声明

We, RedOctane Games LLC the undersigned hereby declare that the device's schematics , PCB layout and all other electrical aspects of the device are identical. The only differences are the placement of the encryption chip.

Product Name: Guitar Controller  
 HVIN: RO26KX; RO26KP; RO26KN  
 FCC ID: 2BVX9RO26K  
 IC: 35476-RO26K

| PMN               | HVIN   | Encryption chip                                                                                                          |
|-------------------|--------|--------------------------------------------------------------------------------------------------------------------------|
| Guitar Controller | RO26KN |  <p>RO26KN has no encryption chip</p> |
| Guitar Controller | RO26KP |  <p>Encryption chip model: SLS52</p> |

|                   |        |                                                                                                                                                                           |
|-------------------|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                   |        |                                                                                         |
| Guitar Controller | RO26KX | <br> |

Encryption chip model: UAB-X874203-001

Name / Title: Stephen Withers / VP Hardware Production

Company: RedOctane Games LLC

Date: 2026-07-28
