Date: 30/07/2026

Federal Communications Commission
Equipment Authorization Division
7435 Oakland Mills Road
Columbia, MD 21046 USA

Subject: Request for FCC Change in Identification

To Whom It May Concern,

We, Proemion GmbH, hereby request a Change in Identification for the FCC certification listed below pursuant to FCC rules.

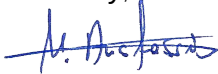

Original Grantee: Renesas Design Korea Inc
Original FCC ID: 2AU49-RRQ61051008
New Grantee: Proemion GmbH
New FCC ID: 2BVZL-CLM37RQ008
Product Name: RRQ61051
Model Number(s): RRQ61051-008

The equipment is electrically identical to the originally certified product. The only changes are the FCC ID and related labeling/documentation as required. We confirm that all test data applicable to the original certification remains representative of the device.

Enclosed are the required documents supporting this Change in ID application, including authorization from the original grantee.

Should you require any additional information, please contact us.

Sincerely,
