\*Requires further justification before permanent confidentiality will be allowed.

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

**Permanent Confidentiality:**

The applicant requests the exhibits listed above as permanently confidential be withheld from public review due to materials that contain trade secrets and proprietary information not customarily released to the public.

The Internal Photographs reveal non-public details regarding the internal construction, component placement, circuit board configuration, and implementation of the applicant device. The internal electronic components depicted in these photographs are enclosed within the finished device and are not intended to be accessed, serviced, or otherwise exposed by the user during normal use.

**Short-Term Confidentiality:**

Pursuant to DA04-1705 June 15, 2004 of the Commission's public notice, we also request temporary confidential treatment of information accompanying this application as outlined below for an initial period of 180 days.

Sincerely,

Client's signature:   
Client's name & title: Cyrena Malkowski, Project Manager
