

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

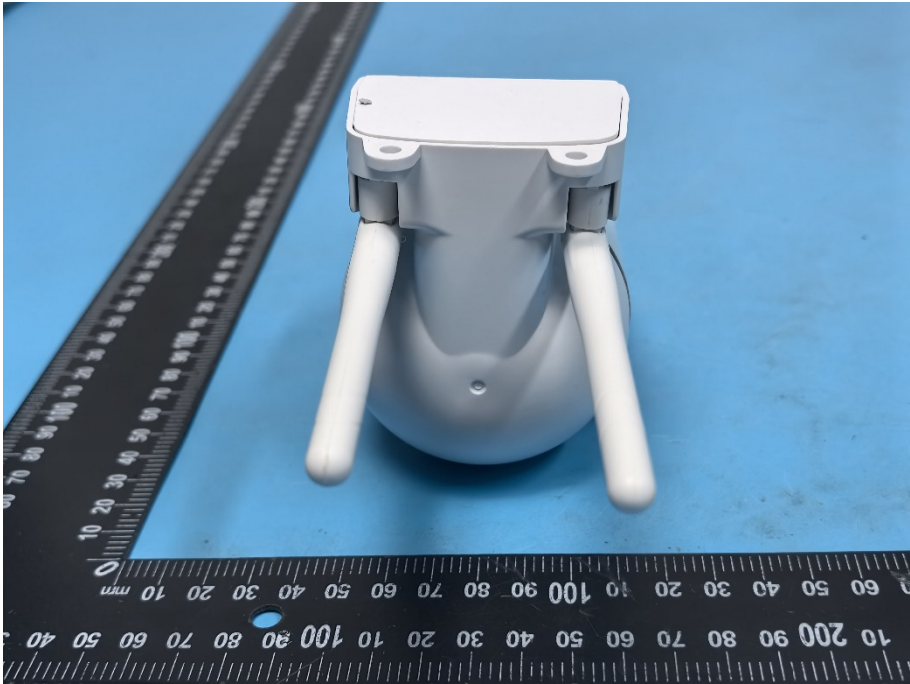

EUT View 1	 A photograph showing the front view of a white, dome-shaped electronic unit. The unit has two long, thin white antennas extending upwards. Below the antennas is a circular lens assembly with several small yellow LEDs around it. The device is placed on a blue surface next to a black ruler with white markings for scale.
EUT View 2	 A photograph showing the side view of the same white electronic unit. It shows the profile of the dome and a small rectangular component attached to the side. The unit is placed on a blue surface next to a black ruler with white markings for scale.

EUT View 5

EUT View 6

EUT View 7	 A close-up photograph of a white plastic component. In the center, there is a small, dark, rectangular port. Below this port, the text "DC 5V" is embossed in a sans-serif font. The plastic has a slightly textured appearance.
EUT View 8	 A close-up photograph of a white plastic component. On the left, there is a horizontal slot. To the right of this slot, the word "RESET" is embossed vertically. Further to the right is a circular button with a vertical slot through its center. The plastic has a slightly textured appearance.
