

Model Difference

Product description: Smart Alarm Clock

Model name: AC-S01, AC-Sxx (where x can be any digit from 0 to 9)

FCC ID: 2BWER-AC-S01

AC-S01 is tested model, other models are derivative models. The models are identical in circuit, only different on the model names. There are two types of adapters available for shipment, which are optional. So the test data of AC-S01 can represent the remaining models. Two types of adapters have undergone differential testing.
