RE: CONFIDENTIALITY REQUEST FOR (BTA-1a / Model: ZD0460, / FCC ID: 2BWEY-ZD0460)

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the (Block diagram, Operational description, Schematics) required to be submitted with this application be permanently withheld from public review.

These documents contain detailed system and equipment description and related information about the product which ZOOM Corporation considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, ZOOM Corporation considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

Name: Tomokazu Mitsui

Title: Project Manager

Signature of applicant:

A handwritten signature in black ink that reads "Tomokazu Mitsui". The signature is written in a cursive style with a long horizontal stroke at the beginning.
