

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front view of a pair of black, wrap-around smart glasses. The glasses have a rectangular frame with rounded corners and integrated side sensors. They are placed on a light blue surface next to a black metric ruler. The ruler is oriented vertically on the left and horizontally at the bottom, showing measurements in centimeters and millimeters.
EUT View 2	 A photograph showing the side profile of the same black smart glasses. The side of the frame and the hinge mechanism are visible. The glasses are placed on a light blue surface next to a black metric ruler, which is oriented vertically on the left and horizontally at the bottom for scale.

EUT View 3	
EUT View 4	

EUT View 5	 A black, curved electronic device, possibly a wearable or a small handheld unit, is shown from a top-down perspective. It has a small, rectangular screen on the left side and several buttons or sensors along the top edge. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters, with the device spanning approximately 10 cm.
EUT View 6	 A black, curved electronic device, similar to the one in View 5, is shown from a side-on perspective. It has a small, rectangular screen on the left side and several buttons or sensors along the top edge. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters, with the device spanning approximately 10 cm.
