Solder Board-Component View 3	 A photograph showing the top view of a small electronic component, likely a USB connector, mounted on a blue solder mask. The component is positioned next to a black ruler with white markings, indicating its size. The component has a gold-plated USB Type-A plug on the left and a black flexible cable extending to the right. The cable has a small label with "DM" and "+" signs. The component is soldered onto a black PCB.
Solder Board-Component View 4	 A photograph showing the bottom view of the same electronic component. The component is positioned next to a black ruler with white markings. The bottom view shows the solder pads and the internal structure of the component. The flexible cable is visible on the right side.
