SCR100

Wireless Refrigerant Scale
FCC ID: 2BWKO-SCR100
IC: 35753-SCR100
HVIN: SCR100
Weighing Range: 0-100kg
Battery: DC12V (AA×8)

S/n:XXXXXXXXXX

 **OPERATING AND STORAGE REQUIREMENTS**

To ensure the measurement accuracy of the wireless refrigerant scale and prevent damage to its sensors, please pay attention to the following precautions.

Operating and Storage Environment: The wireless refrigerant scale must always be placed on a level and stable surface.

Warning: Do not hang the wireless refrigerant scale in any manner for storage, as this may cause deformation and permanent damage to the internal components.

Made in China
