Radar Level Meter

Model: PWRD81
Serial number: XXXXXX
Range: 0~35M
ambient temperature: -40~60℃
process pressure: -0.1~4.0Mpa
Output current: 4~20mA
power provision: 24VDC
Explosion-proof certificate number:
Explosion proof rating: Ex dbIIC T6 Gb
Protection level: IP68
Note: Do not open the cover while the power is on.
FCC ID:2BWL3-PWRD
FCC Warning: This device complies with Part 15 of the FCC
Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received,
including interference that may cause undesired operation.

Beijing Precision Wave Instrument Co., Ltd.

技术要求:
1.字体黑体
2.激光打标字迹清晰美观
3.选用1毫米不锈钢板制作
