

Ⓜ GANANCE | HEIR

QUICK START GUIDE

Make your favorite watch smart.

WELCOME TO INVISIBLE TECH.

Most wearable technology asks you to change how you look.
We never thought that was right.

The Heir attaches seamlessly to the watch you already love, the one on your wrist because it means something to you.

That's the future we see. That the most powerful health device is one you forget is there. You are part of bringing this vision to life.

There's a lot more coming. But it starts here, with you, and the Heir.

Alex & the Ganance Team

BASIC SPECS

- Dimensions: ----- 30mm diameter x 3mm height
- Weight: ----- 5g (0.2 oz)
- Rated Input ----- 5 V DC, 15 mA (max)
- Rated Power ----- 0.075 W (max)
- Battery Life: ----- Up to 42 hours
- Charge Time: ----- 1.5 hours
- Materials: ----- Stainless Steel, UV Coated Plastic
- Attachment: ----- Removable, non-residue microsuction
- Water Resistance: ----- Splash-proof

(Safe for normal wear and hand-washing. Not rated for submersion, showering, or swimming.)

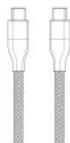

WHAT'S IN THE BOX

Charging Dock

The Heir Device

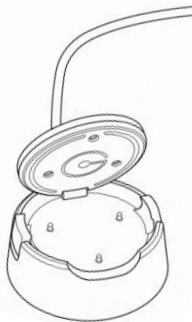

USB-C Cable

1. UNBOX & ACTIVATE

The Heir needs a quick charge to wake up before its first use.

1. Plug the included USB-C cable into the charging dock.
2. Place The Heir on the dock. Align the three dots on the device with the dock's pins (or align the device with the dock's rectangular bump).
3. If the battery is completely dead, the LED may not turn on immediately. After a few minutes, a blinking white light will appear.
4. Leave it charging for **15-30 minutes** to activate it for pairing.

Note: If a blinking light does not appear within a few minutes, remove The Heir from the dock and place it back in.

2. CHARGING GUIDE

- **Blinking Light:** The Heir is charging.
- **Solid Light:** The battery is fully charged. The light will remain solid until removed from the dock.

3. PAIR YOUR DEVICE

The Heir connects wirelessly to smartphones running iOS 15+ or Android 10+.

1. Scan the included QR code or download the free Ganance app from the App Store or Google Play.
2. Open the app and complete the initial account setup.
3. Triple-tap The Heir (or your watch/hairband if already attached) to activate Bluetooth.
4. Tap on the device when it appears in the app to connect.

Once paired, The Heir stays connected automatically.

4. ATTACH TO YOUR WATCH

The Heir uses micro-suction technology - **no magnets**, no adhesives, and no tools required. The bond is strong enough for daily wear but peels off cleanly.

1. Peel the protective plastic off The Heir.
2. Slide The Heir under your watch (or onto your hairband).
3. Press The Heir firmly against the watch's case-back.

Micro-suction Maintenance: If The Heir loses its grip, simply wipe the micro-suction pad with a drop of water or a lightly damp cloth. Once dry, the strong suction will return.

WATCH & STRAP COMPATIBILITY

Feature	Compatibility Details
Size	Fits circular, square, or rectangular casebacks 34mm or larger.
Materials	Works great with stainless steel, titanium, ceramic, and sapphire crystal. (For wood or carbon fiber, email us a photo to confirm).
Surface	Smooth and flat is ideal, though exhibition casebacks and light engraving are completely fine.
Straps	Works with leather, metal, rubber, and NATO straps (simply slide it under the NATO strap).
Safety	Will not impact water resistance, servicing, or resale value, and is safe for all movements.

TROUBLESHOOTING

Connectivity or Vibration Issues?

You can easily reboot the hardware:

1. Place The Heir on the active charging dock.
2. Insert the provided reset pin (or a similar pointed tool) into the small hole on the back of the charger.
3. Press and **hold for 2 seconds** to reset the device.

SAFETY & BATTERY CAUTIONS

CAUTION: RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS.

- Do not dispose of a battery into fire or a hot oven, or mechanically crush or cut a battery, as that can result in an explosion.
- Do not leave a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas.
- Do not expose the battery to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.

FCC COMPLIANCE STATEMENT

FCC ID: 2BWRD-GANA0001

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

WARRANTY & RETURNS

- **Returns:** We offer a 14-day return window from the delivery date. Items must be in their original condition and packaging.
- **Warranty:** The Heir includes a 1-year limited warranty covering manufacturing defects, battery defects, and normal micro-suction degradation. It does not cover drops, water exposure beyond rated limits, or unauthorized modifications.
- **Damaged on Arrival:** If your item arrives damaged, email us within 7 days of delivery with photos, and we will send a replacement at no cost.
- **Support:** To start a claim or ask a question, email support@ganance.com with your order number, a description of the issue, and a photo.

Empowering Self-Expression.

Designed to quietly fit into your life.
