

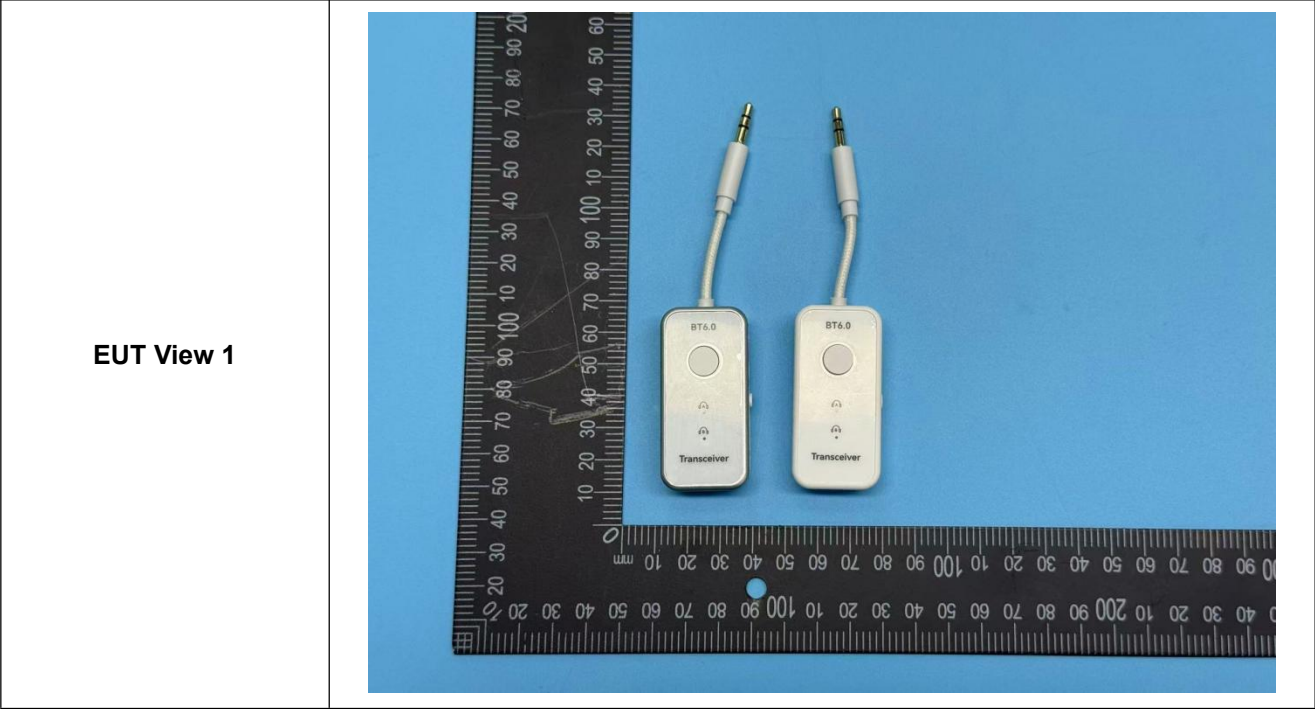

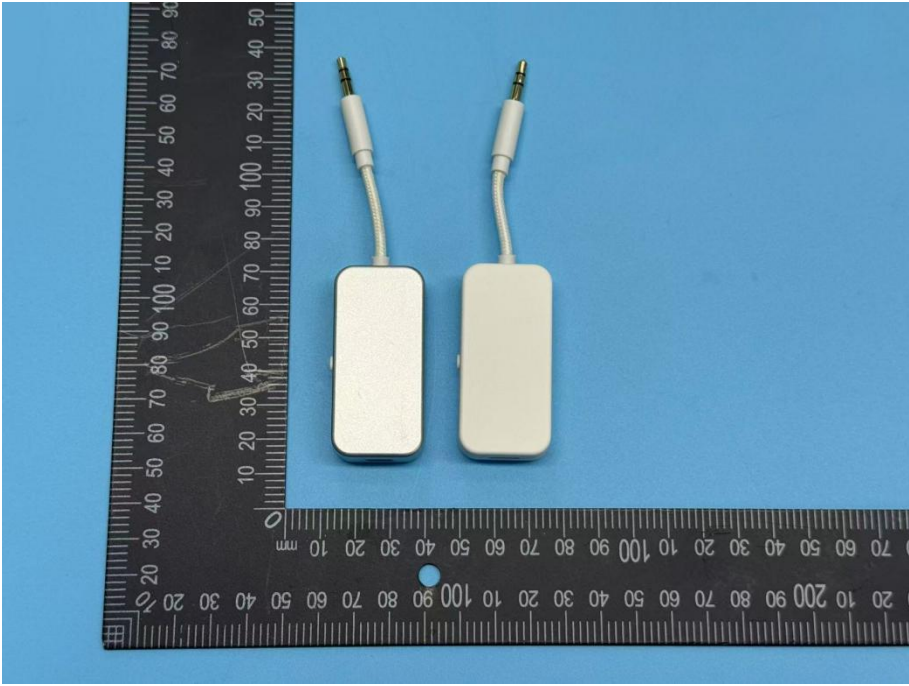

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

Model: BT200 PRO

EUT View 2	 A photograph showing two identical white rectangular modules, each with a cable attached to a 3.5mm audio jack. The modules are placed side-by-side on a blue surface. A black ruler with white markings is positioned vertically to the left of the modules, showing measurements in millimeters. The ruler is oriented with the 0 mark at the top.
EUT View 3	 A photograph showing a single black rectangular module with a cable attached to a 3.5mm audio jack. The module is placed on a blue surface. A black ruler with white markings is positioned vertically to the left of the module, showing measurements in millimeters. The ruler is oriented with the 0 mark at the top. The module has the text "BT6.0" and "Transceiver" printed on it.
