

Label:

The product is too small to place complete label information, so the label is placed in the user manual.

User manual:

1.3 Labeling:

Since the key is small, the label contains the instructions.

The operation of this equipment is subject to the following two conditions:

- (1) this equipment or device may not cause harmful interference, and
- (2) this equipment or device must accept any interference, including interference that may cause its undesired operation.
