Company Name: Shenzhen Tingsen Technology Co., Ltd.

FCC ID: 2BXGL-400FT

Models: 400FT, 50FT, 100FT, 150FT, 200FT, 300FT

We hereby request Family Certification for the above mentioned Models.

(The model names in this series (50FT, 100FT, 150FT, 200FT, 300FT, 400FT) directly indicate their physical length – the suffix number denotes feet (e.g., 50FT means 50 feet in length).

All models differ only in length, overall dimensions, and color. Their PCB board, internal structure, and circuit design are identical. Consequently, no separate testing is performed for each length model.

The maximum size (Model 400FT) has been fully tested, and its test results are considered representative for all shorter-length models.
