Welcome to the Magical Journey of FLYOKAY!

- As the star product that once took Indiegogo by storm, the Boomerang Ball series has always been dedicated to bringing pure flying fun. Now, the newly upgraded Pro+ features a revolutionary DIY display, extending the fun far beyond just flying.
- Through the mobile App, you can easily turn the orb into your own canvas by customizing text, patterns, or animations. It is not only a trendy desktop gadget that combines flight and gyro functions, but also a thoughtful gift that "speaks" for you. Whether creating surprises at holiday parties or pulling pranks at gatherings with friends, FLYOKAY delivers a unique visual experience, making every spin full of warmth and laughter.
