Regarding Application
FCC ID : 2BXOOSWF-LM01U

Reuse of test reports of
FCC ID : XMR201606EC21A
for new Certification

We, **SC SOLUTION GLOBAL CO., LTD.**, here by declare our product **Model name: SWF-LM01U (FCC ID : 2BXOOSWF-LM01U)**
will reuse test reports of product **Module Model name: EC21-A**
(FCC ID : XMR201606EC21A) as difference declaration as follow;

1. Our product integrated WCDMA & LTE Module
(FCC ID : XMR201606EC21A),
And the version is identical to that specified in the module test report.
So conducted test data re-used
(FCC Report No. PD20240066RF01)
2. Radiation emission re-tested and reported in Report
(Report Number: **KES-RF260323**)
3. The module installed in our product operates **only in LTE mode**.
4. The applicant hereby confirms that the certified module,

FCC ID: XMR201606EC21A, has been integrated into the host device in full compliance with the module grantee's installation and integration instructions.

The module has been implemented without any hardware modifications or software changes that would affect the RF characteristics or compliance performance.

The power supply conditions, and operating configurations are consistent with those described in the original module certification.

Therefore, the applicant confirms that the conducted test data from the original module certification remain applicable and valid for this host integration.
