Model: CW59L
Serial number: XXXXXX
Range: 0~35M
ambient temperature: -40~60℃
process pressure: -0.1~4.0Mpa
Output current: 4~20mA
power provision: 24VDC
Explosion-proof certificate number:
Explosion proof rating: ExdbIICT6Gb
Protection level: IP68
Note: Do not open the cover while the power is on.
FCC ID:2BXSJ-EIP550
FCC Warning: This device complies with Part 15 of
the FCC Rules. Operation is subject to the following
two conditions:
(1) this device may not cause harmful interference,
and
(2) this device must accept any interference received
, including interference that may cause undesired
operation.

技术要求:
1.字体黑体, 所需内容根据要求更改
2.激光打标字迹清晰美观
3.选用1毫米不锈钢板制作
