

尺寸: 70*54mm

Product Model:I-5

Voltage:12V

Power :11 W

Capacity :500ML

Weight :1.7KG

Size:186*101*241.5mm

Volume:≤40dBa

FCCID:2BXU7-I-5

Made in China

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
