

Sanislink Inc.

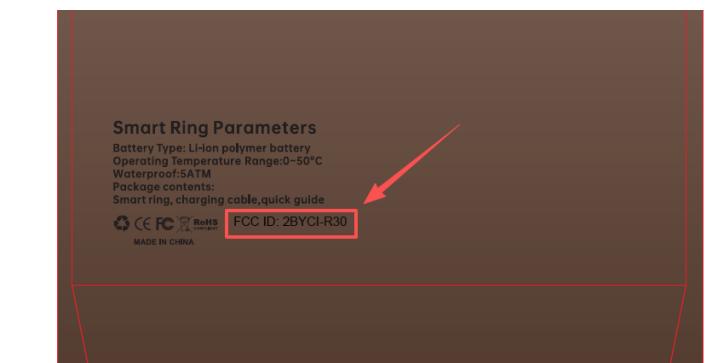

Dear Sirs:

Wuhan Sanislink Inc. hereby declares that, due to the structural limitations and small surface area of the Sanislink Ceramic Smart Ring, it is not possible to directly mark the FCC ID and other printed information on the earphones themselves; therefore, the FCC ID and other printed information are displayed on the product's outer packaging and in the user manual.

This declaration covers the following models: R30, R21, R23, R25, R26, R27, R29
