

Declaration letter of difference

Company Name: Jiangmen Laiya Trading Co., Ltd.

FCC ID: 2BYHK-RG-H10S

Models: RG-H10S, RG-H10, RG-H11, RG-H11S, RG-H12, RG-H12S, PG-A39, PG-B39, RG-HMB1, RG-HMB1S, RG-X1, RG-X1S, RG-H15, RG-H15S, RG-H16, RG-H16S, RG-CG1, RG-CG2, RG-CB1, RG-CB2, RA-58

We hereby request Family Certification for the above mentioned Models based on them being electrically identical.

The models covered by this application differ only in model name. All other aspects are identical, including but not limited to hardware, software, circuit design, PCB layout, RF module, and RF performance.

Detailed description:

The product is sold as a set: **two wireless microphones + one receiver.**

- **EUT1:** Model **RG-H10S**, with orange detachable silicone microphone neck ring.
- **EUT2:** Model **RG-H10S**, with blue detachable silicone microphone neck ring.
- The two microphones have the **same model, appearance, color silk-screen, PCB, circuit, RF module, antenna, frequency, modulation, and power.**
- The only difference is the **color of the detachable silicone neck ring** (orange / blue). This is an accessory difference and does **not affect RF performance.**
- The arrow-indicated part is the **6.35 mm jack receiver**. It is **receive-only and has no transmitting function.**
- The main tested model **RG-H10S** can represent both microphones in the set.
