

# APPENDIX I

## (The Details of Difference for all Models)

## The Details of Difference List

| Item \ Model          | 190P5                         | 190B5                | 190X5                       | E193FPp                     |
|-----------------------|-------------------------------|----------------------|-----------------------------|-----------------------------|
| Brand                 | PHILIPS                       | PHILIPS              | PHILIPS                     | DELL                        |
| Audio                 | Yes                           | Yes                  | Yes                         | No                          |
| EAR Port              | Yes                           | Yes                  | Yes                         | No                          |
| Panel Rotate          | Yes                           | No                   | No                          | No                          |
| LCD Panel             | Fujitsu, M/N<br>FLC48SXC8V-11 | AUO, M/N<br>M190EN02 | LG Philips, M/N<br>LM190E03 | LG Philips, M/N<br>LM190E03 |
|                       |                               |                      |                             | AUO, M/N<br>M190EN04        |
| Scaler IC             | GM5321                        | GM5321               | GM5321                      | GM ZAN3SL                   |
| Data Cable<br>(Input) | D-Sub 、DVI                    | D-Sub 、DVI           | D-Sub 、DVI                  | D-Sub                       |
| Light Frame           | Yes                           | No                   | Yes                         | No                          |
| Power PCB             | Ambit, T50P046.00             | Ambit, T50P050.00    | Ambit, T50P054.00           | Ambit, T50P060.00           |
